Snowmobiles under the original Phazer name appeared until 1989; new models such as the Phazer II, Phazer Deluxe, etc., were sold until 1998, when it was revamped to the more traditional looking snowmobile and was known as the Phazer 500 (1999-2001). For the 2002 model year the Phazer nameplate was axed, where it would take a five year absence.
