Scrapbook Page Maps takes the guesswork out of where to begin by giving plenty of design ideas for their scrapbook layouts! By referring to the sketches in the book, you can select photos, papers and embellishments and then bring the page together quickly and easily. Helpful resource information such as a supply list and photo sizes are included on each card, along with page information cross-referencing the sketch back to the book. Scrapbook Page Maps is the essential book for beginning scrapbookers as well as those short on time. And you get more than just an inspiring, design-filled idea book! Also included is a deck of laminated cards that includes a thumbnail of many of the sketches in the book along with corresponding finished layouts.

This New York Times bestselling book is filled with hundreds of fun, deceptively simple, budget-friendly ideas for sprucing up your home. With two home renovations under their (tool) belts and millions of hits per month on their blog YoungHouseLove.com, Sherry and John Petersik are home-improvement enthusiasts primed to pass on a slew of projects, tricks, and techniques to do-it-yourselfers of all levels. Packed with 243 tips and ideas—both classic and unexpected—and more than 400 photographs and illustrations, this is a book that readers will return to again and again for the creative projects and easy-to-follow instructions in the relatable voice the Petersiks are known for. Learn to trick out a thrift-store mirror, spice up plain old roller shades, "hack" your Ikea table to create three distinct looks, and so much more.
