I've always felt like an outsider. Until my eighteenth birthday, I didn't know how true that was. First, I started seeing strange things. Then, the tips of my ears began to shift. Now, even touching something made of iron makes me sick. Am I losing my mind? When four mysterious fae males corner me in the street, they bring terrifying news: I'm not human. I'm a changeling, a fae swapped at birth. Under their powerful yet infuriating guidance, I return to Otherworld to train at their academy and determine to which of the four faerie courts I belong. But there's something much more dangerous than the four fae vying for my attention. And if I don't unravel the fae's secrets, none of the changelings will survive. Including me. A Dance with Darkness is the first book in a new spellbinding reverse harem fantasy series.

A young woman who is both a bard--and a warrior--seeks to repay her debts and settle scores in this thrilling historical fantasy series. The young warrior and bard Liobhan has lost her brother to the Otherworld. Even more determined to gain a place as an elite fighter, she returns to Swan Island to continue her training. But Liobhan is devastated when her comrade Dau is injured and loses his sight in their final display bout. Blamed by Dau's family for the accident, she

agrees to go to Dau's home as a bond servant for the span of one year. There, she soon learns that Oakhill is a place of dark secrets. The vicious Crow Folk still threaten both worlds. And Dau, battling the demon of despair, is not an easy man to help. When Liobhan and Dau start to expose the rot at the center of Oakhill, they place themselves in deadly danger. For their enemy wields great power and will stop at nothing to get his way. It will take all the skills of a Swan Island warrior and a touch of the uncanny to give them a hope of survival. . . .

An erotically charged, addictive thriller from the future queen of suspense. Living in Toronto for a year, Elena is leading the normal life she has always dreamed of, including a stable job as a journalist and a nice apartment shared with her boyfriend. As the lone female werewolf in existence, only her secret midnight prowls and her occasional inhuman cravings set her apart. Just one year ago, life was very different. Adopted by the Pack when bitten, Elena had spent years struggling with her resentment at having her life stolen away. Torn between two worlds, and overwhelmed by the new passions coursing through her body, her only option for control was to deny her awakening needs and escape. But now the Pack has called Elena home to help them fight an alliance of renegade werewolves who are bent on exposing and annihilating the Pack. And although Elena is obliged to rejoin her "family," she vows not to be swept up in Pack life again, no matter how natural it might feel. She has made her choice. Trouble is, she's increasingly uncertain if it's the right one. An erotically charged thriller, *Bitten* will awaken the voracious appetite of every reader, as the age-old battle between man and beast, between human and inhuman forces, comes to a head in one small town and within one woman's body.

A promise is as deadly as a sword. Once a Shieldmaiden for her beloved kingdom, now Princess Reyna Darragh is nothing more than a captive of the exiled Shadow Court. The shadow fae believe in strange visions that foretell of the upcoming war. If Reyna helps them, they will win. If she refuses, their realm will fall. The High King gives her an ultimatum. She must become his warrior, or he will kill Princess Eislyn. Reyna has no choice but to kneel to the cruel king. She would do anything to save her sister, even fight by the side of her former lover. The one who betrayed her. Meanwhile, the plague-like Ruin continues to spread throughout the lands, destroying everything it touches. Faced with danger on all sides, Reyna fights to protect everything she holds dear: her sister, her kingdom in the north, and her own shattered heart.

Wanted: Magically Armed and Dangerous. Ever since my parents died in the demon war, I've paid my way through life by using magic to con people. It's not right, but a girl's gotta do what she can to survive. Unfortunately, my latest con has left me smack dab in the middle of a murder scene. Now, a coven of angry mages thinks I'm the killer. In order to clear my name, I have to team up with an infuriatingly sexy warlock whose powers are far darker than he admits. Throw in a string of related murders and a vexed vampire clan, and I'm up to my eyeballs in danger. But that's not even the worst of it. When I get too close to the real killer, he casts a life-threatening curse on my grandmother. Before, I just wanted to save my own butt, but now I'll do whatever it takes to track him down—even if it means following him through monstrous dimensions. Because I don't play nice with magic. And when you mess with Grandma, you become #1 on my shit list.

Amy is in love with someone who doesn't exist: Alexander Banks, the dashing hero in a popular series of vampire novels. Then one night, Amy meets a boy who bears an eerie resemblance to Alexander. In fact, he is Alexander, who has escaped from the pages of the book and is in hot pursuit of a wicked vampire named Vigo. Together, Amy and Alexander set out to track Vigo and learn how and why Alexander crossed over. But when she and Alexander begin to fall for each other, Amy wonders if she even wants him to ever return to the realm of fiction.
