Little Women is an old classic that was simply begging to be re-read. I think I started the book so many times when I was in elementary school that I had actually memorized the opening chapter. Every word rang as familiar to my eyes and heart as a forgotten Christmas Carol.

Little Women is a keepsake to be read and treasured. When Little Women was first published in 1868, it became an instant bestseller. The book’s gentle lessons and charming story of four adventurous sisters coming of age in Civil War-era New England was originally written as a children’s book, but quickly captured the hearts and attention of readers of all ages.

Little Women or, Meg, Jo, Beth and Amy is a novel by American author Louisa May Alcott (1832-1888). Written and published in two parts in 1868 and 1869, the novel follows the lives of four sisters - Meg, Jo, Beth and Amy March - and is loosely based on the author's childhood experiences with her three sisters. The first part of the book was an immediate commercial and critical success and prompted the composition of the book's second part, also a huge success. Both parts were first published as a single volume in 1880. The book is an unquestioned American classic.

Fifteen Australian women writers were asked to respond to the colour purple. In their hands, purple takes on many meanings. There are stories about Tyrian purple, a snippet of King George's coronation gown, pigeon fanciers, the Dockers' Purple Haze and their layers are explored through themes of feminism, multiculturalism, artists and aging, mothers and daughters and aunts. This is a book for women readers everywhere.

A New Mexico man faces off against the government in a battle over his land in this novel by the author of Desert Solitaire. After nine months away at school, Billy Vogelin Starr returns home to his beloved New Mexico—only to find his grandfather in a standoff with the US government, which wants to take his land and turn it into an extension of the White Sands Missile Range. Facing the combined powers of the US county sheriff, the Department of the Interior, the Atomic Energy Commission, and the US Air Force, John Vogelin stands his ground—because to Vogelin, his land is his life. When backed into a corner, a tough old man like him will come out fighting . . . Fire on the Mountain is a suspenseful page-turner by “one of the very best writers to deal with the American West”—the acclaimed author of such classics as The Monkey Wrench Gang and the memoir Desert Solitaire (The Washington Post). “Abbey is a fresh breath from the farther reaches and canyons of the diminishing frontier.”—Houston Chronicle

Introducing Diversion Classics, an illustrated series that showcases great works of literature from the world's most beloved authors. The story of four sisters in Civil War-era Massachusetts, LITTLE WOMEN is a poignant tale of a family growing up. Meg, Jo, Beth, and Amy find their way in the world of poverty, employment, illness, and heartbreak. At once a sharp exploration of gender roles and a touching story of family, this novel is a beautiful tale of coming of age that endures today.

A must-have collection of *Jane Austen* covers from the past two centuries—complete with fun trivia and anecdotes, fascinating insights into book design and publishing, and much more *Jane Austen* never goes out of style. Since the first publication of her six novels in the 19th century, she has delighted generations of fans with classic stories that have never changed—and countless covers that have. *Jane Austen Cover to Cover* compiles two centuries of design showcasing one of the world's most beloved and celebrated novelists. With over 200 images, plus historical commentary, Austen trivia, and a little bit of wit, this fascinating and visually intriguing look back is a must for Janeites, design enthusiasts, and book lovers of every age.

This carefully crafted ebook: "Little Women (includes Good Wives) + Little Men + Jo's Boys (3 Unabridged Classics with over 200 original illustrations)" is formatted for your eReader with a functional and detailed table of contents. This ebook contains 3 unabridged classic books with over 200 original illustrations by Frank T. Merrill and Reginald B. Birch in one ebook. Louisa May Alcott (1832 – 1888) was an American novelist best known as author of the novel Little Women and its sequels Little Men and Jo's Boys. Little Women and Good Wives, published in 1868 and 1869 respectively, is a story following the four March sisters and their friend Theodore "Laurie" Lawrence in Massachusetts in the 1800's. The four girls each exhibit individual flaws and much of the plot is concerned with their journey to correct themselves, always supporting each other in the end despite their numerous squabbles. Margaret "Meg" March is the eldest sister and at the beginning of the tale is very preoccupied with materialistic possessions, Josephine "Jo" March is a tomboy with a fiery temper, Elizabeth "Beth" March is shy and gentle and Amy, being the youngest March sister, is spoil and therefore prone to temper tantrums. Little Women follows the sisters for about a year, but Good Wives skips forward in time regularly so that by the end they are all of adult age. Little Men, or Life at Plumfield with Jo's Boys is a novel by American author Louisa May Alcott, first published in 1871. Little Men follows the adventures of Jo March and her husband Professor Bhaer as they try to make their school for boys a happy, comfortable, and stimulating place. Jo's Boys was first published in 1886. The novel is the final book in the unofficial Little Women series. In it, Jo's "children," now grown, are caught up in real world troubles.

A motley crew of saboteurs wreak outrageous havoc on the corporations destroying America's Western wilderness in this classic, comic extravaganza. When George Washington Hayduke III returns home from war in the jungles of Southeast Asia, he finds the unspoiled West he once knew has been transformed. The pristine lands and waterways are being strip mined, dammed up, and paved over by greedy government hacks and their corrupt corporate cocoonspirators. And the manic, beer-guzzling, rabidly antisocial ex-Green Beret isn't just getting mad. Hayduke plans to get even. Together with a radical feminist from the Bronx, a wealthy, billboard-torching libertarian MD, and a disgraced Mormon polygamist, Hayduke's ready to stick it to the Man in the most creative ways imaginable. By the time they're done, there won't be a bridge left standing, a dam unblown, or a bulldozer unmolested from Arizona to Utah. Edward Abbey's most popular novel, The Monkey Wrench Gang is an outrageous romp with ultra-serious undertones that is as relevant today as it was in the early days of the environmental movement. The author who Larry McMurtry (Lonesome Dove) once dubbed "The Thoreau of the American West" has written a true comedic classic with brains, heart, and soul that more than justifies the call from the Los Angeles Times Book Review that we should all "praise the earth for Edward Abbey!"

Jane Austen takes a satirical swipe at the gothic novel in this classic book bursting with sly subversive wit. Jane Austen is a genius, and Northanger Abbey is hugely underrated" Martin Amis Catherine Morland is a young girl with a very active imagination. Her naivety and love of sensational novels lead her to approach the fashionable social scene in Bath and her stay at nearby Northanger Abbey with preconceptions that have embarrassing and entertaining consequences. WITH AN INTRODUCTION BY P.D. JAMES VINTAGE CLASSICS AUSTEN SERIES - all six of Jane Austen's major novels, beautifully designed and introduced by our finest contemporary writers.
