A luminous narrative inspired by the fascinating real case of "the Blue People of Kentucky" that probes questions of identity, love, and family. In 1937, there are recesses in Appalachia no outsiders have ever explored. Two government-sponsored documentarians from Cincinnati, Ohio—a writer and photographer—are dispatched to penetrate this wilderness and record what they find for President Roosevelt's Works Progress Administration. For photographer Clay Havens, the assignment is his last chance to reboot his flagging career. So when he and his journalist partner are warned away from the remote Spooklight Holler outside of town, they set off eagerly in search of a headline story. What they see will haunt Clay into his old age: Jubilee Buford, a woman whose skin is a shocking and unmistakable shade of blue. From this happenstance meeting between a woman isolated from society and persecuted her whole life, and a man accustomed to keeping himself at lens distance from others, comes a mesmerizing story in which the dark shades of betrayal, prejudice, fear, and guilt, are refracted along with the incandescent hues of passion and courage. Panning across the rich rural aesthetic of eastern Kentucky, The Last Blue is a captivating love story and an intimate portrait of what it is like to be truly one of a kind.

A wonderful new storyteller unleashes a soaring debut that sweeps from the hills of Hawaii to the veldt of South Africa. Come Sunday is that joyous, special thing: a saga that captivates from the very first page, breaking our hearts while making our spirits soar. Abbe Deighton is a woman who has lost her bearings. Once a child of the African plains, she is now settled in Hawaii, married to a minister, and waging her battles in a hallway of monotony. There is the leaky roof, the chafing expectations of her husband's congregation, and the constant demands of motherhood. But in an instant, beginning with the skid of tires, Abbe's battlefield is transformed when her three-year-old daughter is killed, triggering in Abbe a seismic grief that will cut a swath through the landscape of her life and her identity. What an enthralling debut this is! What a storyteller we have here! As Isla Morley's novel sweeps from the hills of Honolulu to the veldt of South Africa, we catch a hint of the spirit of Barbara Kingsolver and the mesmerizing truth of Jodi Picoult. We are reminded of how it felt, a while ago, to dive into the drama of The Thorn Birds. Come Sunday is a novel about searching for a true homeland, family bonds torn asunder, and the unearthing of decades-old secrets. It is a novel to celebrate, and Isla Morley is a writer to love.

Struggling to support her family in mid-19th-century New York, writer Frances Osgood makes an unexpected connection with literary master Edgar Allan Poe and finds her survival complicated by her intense attraction to the writer and the scheming manipulations of his wife. 75,000 first printing.

Acclaimed author Graham Joyce's mesmerizing new novel centers around the disappearance of a young girl from a small town in the heart of England. Her sudden return twenty years later, and the mind-bending tale of where she's been, will challenge our very perception of truth. For twenty years after Tara Martin disappeared from her small English town, her parents and her brother, Peter, have lived in denial of the grim fact that she was gone for good. And then suddenly, on Christmas Day, the doorbell rings at her parents' home and there, disheveled and slightly peculiar looking, Tara stands. It's a miracle,

but alarm bells are ringing for Peter. Tara's story just does not add up. And, incredibly, she barely looks a day older than when she vanished. Award-winning author Graham Joyce is a master of exploring new realms of understanding that exist between dreams and reality, between the known and unknown. *Some Kind of Fairy Tale* is a unique journey every bit as magical as its title implies, and as real and unsentimental as the world around us.

At the turn of the twentieth century, Ellen Rimbauer became the young bride of Seattle industrialist John Rimbauer, and began keeping a remarkable diary. This diary became the secret place where Ellen could confess her fears of the new marriage, her confusion over her emerging sexuality, and the nightmare that her life would become. The diary not only follows the development of a girl into womanhood, it follows the construction of the Rimbauer mansion called Rose Red; an enormous home that would be the site of so many horrific and inexplicable tragedies in the years ahead. *The Diary of Ellen Rimbauer: My Life at Rose Red* is a rare document, one that gives us an unusual view of daily life among the aristocracy in the early 1900s, a window into one woman's hidden emotional torment, and a record of the mysterious events at Rose Red that scandalized Seattle society at the time - events that can only be fully understood now that the diary has come to light. Edited by Joyce Reardon, Ph.D. as part of her research, the diary is being published as preparations are being made by Dr. Reardon to enter Rose Red and fully investigate its disturbing history.

In this "suspenseful thriller," a psychotic woman's obsession with vengeance threatens a family's fragile happiness (*Library Journal*). After her release from the hospital, Christine drives straight to Colorado. The heat in her car is busted and her clothes are thin, but Christine doesn't mind the chill. She is going to find Alex, and when she does, she will have vengeance to keep her warm. Years ago, after giving up her son for adoption, this delicate young beauty flew into a fit of jealous madness, killing her child and his new mother. The boy's adoptive father, Alex, got away. He did not go far enough. Living in Denver with his new wife and her six-year-old son, Alex is happy for the first time in years. When he learns of Christine's release from the hospital, the police assure him that she won't be allowed to harm his new family. But when strange things start happening around their rambling old house, Alex begins to fear that Christine is closer than he thinks.

Clever Girl is an indelible story of one woman's life, unfolded in a series of beautifully sculpted episodes that illuminate an era, moving from the 1960s to today, from one of Britain's leading literary lights—Tessa Hadley—the author of the *New York Times* Notable Books *Married Love* and *The London Train*. Like Alice Munro and Colm Tóibín, Tessa Hadley brilliantly captures the beauty, innocence, and irony of ordinary lives—an ability to transform the mundane into the sublime that elevates domestic fiction to literary art. Written with the celebrated precision, intensity, and complexity that have marked her previous works, *Clever Girl* is a powerful exploration of family relationships and class in modern life, witnessed through the experiences of an English woman named Stella. Unfolding in a series of snapshots, Tessa Hadley's moving novel follows Stella from the shallows of childhood, growing up with a single mother in a Bristol bedsit in the 1960s, into the murky waters of middle age. *Clever Girl* is a story vivid in its immediacy and rich in drama—violent deaths, failed affairs, broken dreams, missed chances. Yet it is Hadley's observations of everyday life, her keen skill at capturing the ways men and women think and feel and relate to one another, that dazzles.

Longlisted for the 2016 RBC Taylor Prize *Zoroaster's Children* brings together the best of Marius Kociejowski's travel writing. A companion volume to last year's critically acclaimed *The Pebble Chance*, these essays, conceived somewhere between "a waning moon and the nerves behind a flayed man's face," evince the deep absorption in a people and place which are the hallmark of great travel writers. Marius Kociejowski is the award-winning author of four collections of poetry, two celebrated travel memoirs, and a collection of his best essays, *The Pebble Chance*. He lives and works as a bookseller in London, England.
