David Baldacci takes an extremely unlikely idea and turns it into a stunning thriller. He creates realistic, layered characters that find themselves trapped by their circumstances and poor choices, and pulls us along for the ride.

Absolute Power David

Absolute Power is simply a thriller not to be missed. Like several of Baldacci's early audiobooks, Absolute Power is narrated by Scott Brick (Brick also narrated the early King & Maxwell books). Brick is simply the best! I do not mean to detract from the McLarty-Cassidy duo who are also superb. The book is rather long (audiobook is more than 19 hours).
