Service characteristics: In general, ADA complementary paratransit service must be provided within 3/4 of a mile of a bus route or rail station, at the same hours and days, for no more than twice the regular fixed route fare.

ADA & Paratransit | NADTC

The ADA guarantees people with disabilities equal access to public transportation. This means that public transportation providers cannot refuse to provide you with transportation because you have a disability. You cannot be required to transfer to a seat. You also cannot be required to use 'priority' seating on a bus or transit vehicle.

The ADA and Public Transportation - Legal Aid at Work

The Department originally published its ADA title II and title III regulations on July 26, 1991, including the 1991 ADA Accessibility Guidelines (1991 Standards). On September 15, 2010 the Department published final regulations revising the Department's ADA regulations , including the adoption of updated ADA Standards for Accessible Design (2010 Standards).

2010 ADA regulations

According to the National Household Travel survey, 25.5 million Americans have travel-limiting disabilities. Transportation is essential to many areas of life such as employment, staying connected with family and friends, and access to healthcare.
