Essentially re-purposed paperback covers, artist portfolio pieces and other examples of fine SF art of the late 1970s. Aliens In Space is part of the series of Galactic Encounters books. As the synopsis gives away, this one is a guide to extraterrestrial life-forms in a fictional Galactic Federation, rather similar to Steven Eisler's The Alien World - The Complete Illustrated Guide , which I also have (see post here).

Etymology. The Sulaco is named after a fictional town in Joseph Conrad's novel Nostromo, which is also the name of the ship from the original Alien.A number of other names in the franchise are based on Conrad's work as well. Some scholarly research into the symbolism of the Alien franchise has considered it significant that Sulaco in Conrad's Nostromo is the home of the owners of the silver ...
