This long-awaited biography of Alfred Jarry reconstructs a life both "ubuesque" and pataphysical. When Alfred Jarry died in 1907 at the age of thirty-four, he was a legendary figure in Paris—but this had more to do with his bohemian lifestyle and scandalous behavior than his literary achievements. A century later, Jarry is firmly established as one of the leading figures of the artistic avant-garde. Even so, most people today tend to think of Alfred Jarry only as the

author of the play *Ubu Roi*, and of his life as a string of outlandish “ubuesque” anecdotes, often recounted with wild inaccuracy. In this first full-length critical biography of Jarry in English, Alastair Brotchie reconstructs the life of a man intent on inventing (and destroying) himself, not to mention his world, and the “philosophy” that defined their relation. Brotchie alternates chapters of biographical narrative with chapters that connect themes, obsessions, and undercurrents that relate to the life. The anecdotes remain, and are even augmented: Jarry's assumption of the “ubuesque,” his inversions of everyday behavior (such as eating backward, from cheese to soup), his exploits with gun and bicycle, and his herculean feats of drinking. But Brotchie distinguishes between Jarry's purposely playing the fool and deeper nonconformities that appear essential to his writing and his thought,

both of which remain a vital subterranean influence to this day.

'He is an amazing talent, one of the best around' Pep Guardiola Football's most prolific and controversial goalscorer has nothing left to prove on the pitch. There is only one Zlatan. In the decade since his megaselling memoir *I am Zlatan Ibrahimovic*, he has played at Paris Saint-Germain (2012-2016), Manchester United (2016-2018), LA Galaxy (2018-2019) and Milan (2020-). This outrageous and hilarious follow-up is bursting with personal confessions and revealing anecdotes about the world's best players and managers. Packed with revelations, in *Adrenaline* we hear for the first time what Zlatan really thinks about his time in the Premier League and

what it was like to score that glorious bicycle kick against England. We hear about the club he very nearly signed for, and see his hilarious run-ins with the French media - and the French in general, really. Plus so much more. Zlatan transports you into the world of top-flight football like no one else. Filled with revelations - including Zlatan's life lessons on happiness, friendship and love - you'll be talking about this book a long time after finishing it.

This book explores the contribution of and art and creativity to early education, and examines the role of the atelier (an arts workshop in a school) and atelierista (an educator with an arts background) in the pioneering pre-schools of Reggio Emilia. It does so through the unique experience of Veia Vecchi, one of the first atelieristas to be appointed in Reggio Emilia in 1970. Part memoir, part conversation

and part reflection, the book provides a unique insider perspective on the pedagogical work of this extraordinary local project, which continues to be a source of inspiration to early childhood practitioners and policy makers worldwide. Veà's writing, full of beautiful examples, draws the reader in as she explains the history of the atelier and the evolving role of the atelierista. Key themes of the book include:

- processes of learning and knowledge construction
- the theory of the hundred languages of childhood and the role of poetic languages
- the importance of organisation, ways of working and tools, in particular pedagogical documentation
- the vital contribution of the physical environment
- the relationship between the atelier, the atelierista, the school and its teachers

This enlightening book is essential reading for students, practitioners, policy makers and researchers in early childhood education, and
