This test bank of close to 2,000 questions helps instructors design a variety of tests and quizzes. The test bank includes text-based and art-based questions. Each test item in the Test Bank has been tagged with a corresponding Learning Outcome from this textbook as well as a Bloom's taxonomy ranking, allowing instructors to test students on a range of learning levels. This supplement is the print version of the Test Bank in TestGen® and Microsoft® Word formats that is in the Instructor Resources DVD package. This supplement is also available in MicrosoftWord format on the Instructor Resource DVD package and in the Instructor Resources area of MasteringA&P.

Frederic ("Ric") Martini, joined by accomplished educator, award-winning teacher, and co-author Judi Nath, has substantially revised Fundamentals of Anatomy & Physiology y to make the Ninth Edition the most readable and visually effective edition to date. New Spotlight figures integrate brief text and visuals for easy reading. This package contains: Fundamentals of Anatomy & Physiology, Ninth Edition

For two-semester A&P. Fundamentals of Anatomy & Physiology helps you succeed in the challenging A&P course with an easy-to-understand narrative, precise visuals, and steadfast accuracy. Every chapter of the Tenth Edition includes one- and two-page Spotlight Figures that seamlessly integrate text and visuals to guide you through complex topics and processes. These highly visual presentations incorporate, for select topics, the "visual approach" that the same author team created in their Visual Anatomy & Physiology book. New Clinical Cases open every chapter and get you thinking about the chapter content in the context of a personal compelling patient story. The Tenth Edition integrates book content with MasteringA&P®, through expanded Coaching Activities, which personalize learning and coach you toward understanding and mastery of tough A&P topics. This program presents a better learning experience. It provides: Personalized Learning with MasteringA&P: Engage with A&P through new Spotlight Figure Coaching Activities, and new Book-specific Clinical Case Activities, and a wide range of other question and activity types--all that are automatically graded. Text-art Integration: The popular one- and two-page Spotlight Figures and other figure types seamlessly integrate text and visuals to guide you through complex topics and processes. You study the Spotlight Figures in the book, and then your instructor can assign them in MasteringA&P. Story-based Clinical Content: Motivate yourself for your future careers with the new Clinical Cases. Time-saving Navigation and Study Tools: Better navigate difficult A&P topics through both the book and MasteringA&P. Note: You are purchasing a standalone product; MasteringA&P does not come packaged with this content. If you would like to purchase both the physical text and the MasteringA&P search for ISBN-10: 0321908597/ISBN-13: 9780321908599. That package includes ISBN-10: 0321909070/ISBN-13: 9780321909077 and ISBN-10: 0321940717/ISBN-13: 9780321940711. MasteringA&P is not a self-paced technology and should only be purchased when required by an instructor.

For courses in two-semester A&P. Using Art Effectively to Teach the Toughest Topics in A&P Fundamentals of Anatomy & Physiology helps students succeed in the challenging A&P course with an easy-to-understand narrative, precise visuals, and steadfast accuracy. With the 11th Edition, the author team draws from recent research exploring how students use and digest visual information to help students use art more effectively to learn A&P. New book features encourage students to view and consider figures in the textbook, and new narrated videos guide students through complex physiology figures to help them deconstruct and better understand complicated processes. Instructors can also request a new handbook by Lori Garrett, entitled The Art of Teaching A&P: Six Easy Lessons to Improve Student Learning , which explores some of the most common challenges encountered when using art to teach A&P, alongside strategies to address these challenges. Also Available with Mastering A&P Mastering(tm) A&P is an online homework, tutorial, and assessment product designed to engage students and improve results by helping students stay on track in the course and quickly master challenging A&P concepts. Features in the text are supported by Mastering A&P assignments, including new SmartArt Videos, Interactive Physiology 2.0, Dynamic Study Modules, Learning Catalytics, Spotlight Figure Coaching Activities, lab study tools, Get Ready for A&P, plus a variety of Art Labeling Questions, Clinical Application Questions, and more. Note: You are purchasing a standalone product; Mastering(tm) A&P does not come packaged with this content. Students, if interested in purchasing this title with Mastering A&P, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and Mastering A&P, search for: 013439495X / 9780134394954 Fundamentals of Anatomy & Physiology Plus Mastering A&P with eText -- Access Card Package Package consists of: 0134396022 / 9780134396026 Fundamentals of Anatomy & Physiology 013446950X / 9780134469508 Mastering A&P with Pearson eText -- ValuePack Access Card -- for Fundamentals of Anatomy & Physiology Mastering A&P should only be purchased when required by an instructor.

Since its first edition Human Anatomy has been praised for its clarity of presentation, outstanding visually oriented illustration program, and ability to help students understand anatomical structures. Past editions of Human Anatomy have won very prestigious awards, including the award for Textbook Excellence by the Text and Academic Authors Association and the award for Illustration Excellence by the Association of Medical Illustrators. The fourth edition continues this tradition of textbook excellence. Innovative pedagogical elements and a tightly integrated supplements package make this new edition an excellent choice for all anatomy courses.

For courses in Two-Semester A&P. Using Art Effectively with the Most Visual Approach to A&P Visual Anatomy & Physiology combines a one-of-a-kind visual approach with a modular organization that uniquely meets the needs of today's students--without sacrificing the comprehensive coverage of A&P topics required for careers in nursing and other allied health professions. The 3rd Edition presents key new features based on recent research about how information is used and digested. New modules in the first chapter emphasize how to use art effectively when studying; new Integrated Figure Questions increases the likelihood you will spend time viewing the art and prompts you to consider what you have just learned; and new SmartArt Videos, accessible via QR code in the book, help in navigating key, complex pieces of art on some of the toughest topics. New Interactive Physiology 2.0 tutorials, SmartArt Video Activities, and a mobile-friendly eText expand the options for students to use Mastering(tm) A&P as an effective practice and learning tool. Also available with Mastering A&P Mastering(tm) A&P is an online homework, tutorial, and assessment program designed to engage students and improve results. Instructors ensure that students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics(tm). Students can further master concepts after class through assignments that provide hints and answer-specific feedback. With a wide range of activities available, students can actively learn, understand, and retain even the most difficult concepts. Note: You are purchasing a standalone product; Mastering(tm) A&P does not come packaged with this content. Students, if interested in purchasing this title with Mastering A&P, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information. If you would like to purchase both the physical text and Mastering A&P, search for: 0134396405 / 9780134396408 Visual Anatomy & Physiology Plus Mastering A&P with eText -- Access Card Package Package consists of: 0134394690 / 9780134394695 Visual Anatomy & Physiology 0134469550 / 9780134469553 Mastering A&P with Pearson eText -- ValuePack Access Card -- for Visual Anatomy & Physiology Mastering A&P should only be purchased when required by an instructor.
