How to Answer a Case Study Assignment | MBA Case Study Help

A pilot study does not mean a study which is too small to produce a clear answer to the question. Funding organisations are unlikely to fund such studies, and rightly so. They are poor research, conducted for the benefit of the researcher rather than society at large (which pays for the grant). Not all small studies are unjustified.

Please read the following case study and answer the questions below. Concerned about her current customer base, manager Andersen started to think of factors that might affect the attractiveness of an auditing firm. Of course, the provided service quality and the fees charged by the auditor seem two important factors.

Solved: Please Read The Following Case Study And Answer Th ...

"Study in" implies either the location or the broad topic (as in "The study in the building was..." or "I study in the field of..."), not the specific topic as mentioned. Regarding "In a study of adult men in participants with whooping cough...", I would delete the word "in" and replace "men" with "male" or delete "in participants" entirely.
