To download and add an AppAssure 5 Core to the License Portal. 1. In the left navigation area of the License Portal, click Downloads. 2. Under the Windows-based Applications heading, next to Core Installer or Core Web Installer, click the Download button. NOTE: The Core Installer downloads the executable file in one task, while the Core Web Installer streams a download of the latest version of AppAssure 5 Core, which runs directly from the Web and lets you pause and resume the process as needed.
