Surridge and Gillespie's bestselling AQA textbooks brought together in one updated volume covering the whole of AQA A-level Business. - This textbook's content matches the specification in Surridge and Gillespie's accessible style - Engages students with updated case studies of real companies, helping students see how business concepts and theories relate to the real world - Gives students the opportunity to build the skills they need for assessment with practice questions throughout - Helps students to build up their quantitative and analytical skills, with opportunities to analyse data - Supports student revision with new end-of-unit recap sections - Helps you cut down your preparation and marking time with an accompanying Answer Guide* * The accompanying Answer Guide has not been through the AQA approval process

Ian Marcouse has been trusted by Business students for over 15 years and his updated textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Guides students through the content in an easy to understand way, with the new 'logic chain' feature at the start of every chapter showing them the progression clearly - Helps students apply their knowledge and analyse business data with real business examples throughout - Consolidates students' learning and prepares them for assessment with the workbook feature at the end of every chapter containing knowledge check and practice questions

Ian Marcouse has been trusted by Business students for over 15 years and his updated textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Guides students through the content in an easy to understand way, with the new 'logic chain' feature at the start of every chapter showing them the progression clearly - Helps students apply their knowledge and analyse business data with real business examples throughout - Consolidates students' learning and prepares them for assessment with the workbook feature at the end of every chapter containing knowledge check and practice questions

Create confident, literate and well-prepared students with skills-focused, topic-specific workbooks. - Prepares students to meet the demands of the specification by practising exam technique and developing their literacy skills - Provides flexible resource material to reinforce and apply topic understanding throughout the course, as classwork or extension tasks, or with revision - Creates opportunities for self-directed learning and assessment with answers to tasks and activities supplied online - Supplements key resources such as textbooks to adapt easily to existing schemes of work - Offers time-saving and economical lesson solutions for both specialist and non-specialist teachers

These fully revised and up-to-date new editions and answer guides from Wolinski and Coates provide comprehensive coverage of the AQA A-level Business specification. - Wolinski and Coates' comprehensive yet accessible style remains unchanged, covering everything students will need to succeed - Updated fact files and case studies give profiles of real business, so students can understand the real-world context of what they're learning - Practice exercises and case studies with questions throughout allow students to apply their knowledge and prepare for assessment - Answer guides support teaching and save time in marking

This revised set of resources for Cambridge International AS and A Level Business syllabus (9609) is thoroughly updated for the latest version of the curriculum. This workbook supports students studying for the Cambridge AS and A Level Business (9609) syllabus, for first teaching in 2014. The resource complements the coursebook to help students practise the key skills of the course. Through step-by-step guidance, structured questions explain how to use application, analysis, and evaluation in a business context. In addition, model answers help to increase students' confidence in writing long-form responses. Answers to the workbook questions are available online.

This textbook has been fully revised to reflect the 2015 AQA Business specification, giving you up-to-date material that supports your teaching and student's learning. - Builds up quantitative skills with 'Maths moment' features and assesses them in the end of chapter activities - Ensures students have the knowledge of real life businesses so they can apply their theoretical understanding with the 'Business in focus' feature - Helps students get to grips with the content and tests key skills with activities at the end of every chapter
