be welded, it is presupposed that a welding procedure suitable to the grade of steel and intended use or service will be utilized.

ASTM A106 / A106M -
19a Standard

Specification for ...

A106 does not have its own table of pipe dimensions. Rather, like A333 and API 5L, it

Online Library

Astm A106

reverts to ASME

B36.10 for the nominal pipe dimensions.

Therefore, A106 pipe products are often multi-certified to similar ASTM A53, A333 and API 5L grades, where the requirements of all these specifications are met.
