Procedural law consists of the set of rules that govern the proceedings of the court in criminal lawsuits as well as civil and administrative proceedings. The court needs to conform to the standards setup by procedural law, while during the proceedings. These rules ensure fair practice and consistency in the "due process". Substantive law is a statutory law that deals with the

Substantive law is the set of laws that governs how members of a society are to behave. It is contrasted with procedural law, which is the set of procedures for making, administering, and enforcing substantive law. Substantive law defines rights and responsibilities in civil law, and crimes and punishments in criminal law. It may be codified in statutes or exist through precedent in common law.
