Joel Higgins has 901 unsent text messages saved on his phone. Ever since the thing that happened, there are certain people he hasn't been able to talk to in person. Sure, he shows up at school, does his mandatory volunteer hours at the soup kitchen, and spends pretty much every moment thinking about Eli, the most amazing girl in the world. But that doesn't mean he's keeping it together, or even that he has any friends. So instead of hanging out with people in real life, he drafts text messages. But he never presses send. As dismal as sophomore year was for Joel, he doesn't see how junior year will be any better. For starters, Eli doesn't know how he feels about her, his best friend Andy's gone, and he basically bombed the SATs. But as Joel spends more time at the soup kitchen with Eli and Benj, the new kid whose mouth seems to be unconnected to his brain, he forms bonds with the people they serve there-including a veteran they call Rooster-and begins to understand that the world is bigger than his own pain. In this dazzling, hilarious, and heartbreaking debut, Joel grapples with the aftermath of a tragic loss as he tries to make sense of the problems he's sees all around him with the help of banned books, Winnie-the-Pooh, a field of asparagus, and many pairs of socks.

Picking up where Louis Armstrong's New Orleans left off, this biographical account of the legendary jazz trumpet virtuoso highlights the historical role Armstrong played in the creation of modern music and also his encounters with racism.

Narrative text describes the artist's paintings and their portrayal of the lives of her African American relatives in the rural American South.

An inspiring picture-book biography about the woman whose cooking helped feed and fund the Montgomery bus boycott of 1956, from an award-winning illustrator. Georgia Gilmore was cooking when she heard the news Mrs. Rosa Parks had been arrested--pulled off a city bus and thrown in jail all because she wouldn't let a white man take her seat. To protest, the radio urged everyone to stay off city buses for one day: December 5, 1955. Throughout the boycott--at Holt Street Baptist Church meetings led by a young minister named Martin Luther King, Jr.--and throughout the struggle for justice, Georgia served up her mouth-watering fried chicken, her spicy collard greens, and her sweet potato pie, eventually selling them to raise money to help the cause. Here is the vibrant true story of a hidden figure of the civil rights movement, told in flavorful language by a picture-book master, and stunningly illustrated by a Caldecott Honor recipient and seven-time Coretta Scott King award-winning artist.

Nearly 50 years after his death, Louis Armstrong remains one of the 20th century's most iconic figures. Popular fans still appreciate his later hits such as "Hello, Dolly!" and "What a Wonderful World," while in the jazz community, he remains venerated for his groundbreaking innovations in the 1920s. The achievements of Armstrong's middle years, however, possess some of the trumpeter's most scintillating and career-defining stories. But the story of this crucial time has never been told in depth until now. Between 1929 and 1947, Armstrong transformed himself from a little-known trumpeter in Chicago to an internationally renowned pop star, setting in motion the innovations of the Swing Era and Bebop. He had a similar effect on the art of American pop singing, waxing some of his most identifiable hits such as "Jeepers Creepers" and "When You're Smiling." However as author Ricky Riccardi shows, this transformative era wasn't without its problems, from racist performance reviews and being held up at gunpoint by gangsters to struggling with an overworked embouchure and getting arrested for marijuana possession. Utilizing a prodigious amount of new research, Riccardi traces Armstrong's mid-career fall from grace and dramatic resurgence. Featuring never-before-published photographs and stories culled from Armstrong's personal archives, *Heart Full of Rhythm* tells the story of how the man called "Pops" became the first "King of Pop."
