The first half is an interesting and well-constructed analysis of the political scene from before the UK's entry into the EEC, to the British public's decision to leave the EU.

Brexit and British Politics: Amazon.co.uk: Evans, Geoffrey ...

Brexit has changed everything - from our government, to our economy and principal trading relationship, to the organization of our state. This watershed moment, which surprised most observers and mobilized previously apathetic sections of the electorate, is already transforming British politics in profound and lasting ways.

Let's start with Brexit. This is the party which promised to honour the result of the 2016 referendum and then did virtually everything it could to frustrate it.

Boris is set to deliver fudge on Brexit and a breakaway ...

Conservative gains, where they were, were in areas with large Leave votes - most notably, Mansfield, which had voted 70.9% for Leave. Given that, it is unsurprising the British Election Study found Brexit was the most important factor identified by voters in the 2017 general election. And these attitudes may well prove sticky.

Brexit and British politics - UCL Europe Blog

But in the case of the Brexit negotiations, it is the EU27 which holds all the cards, not the UK. This didn't just make British hard bargaining surprising, it also made it inappropriate, since it was the UK which needed a deal the most, and Brussels which would likely set the terms and red lines.

Hard bargaining dies hard: the cultural factors behind ...

The crisis and chaos engulfing British politics is not simply a symptom of incompetent leadership or bad policy choices. It expresses a deep crisis of representation in the political system, which Brexit did not cause, but only revealed.

British Politics in Chaos | The Full Brexit

Following Brexit, the 310-mile border between Northern Ireland and the Republic of Ireland is the only land border between the UK and the EU. All sides wants to avoid border checks given the...

Brexit: All you need to know about the UK leaving the EU ...

Therefore, for the Conservatives, Brexit provides an opportunity for British neoliberalism to be reoriented around an export-driven growth model supported by non-EU trade. Rather than focus on the EU, the Democratic Socialists in the Labour Party directly critiqued market-based neoliberal policies for benefiting the 'few' at the expense of 'the many': a clear transposition of the populist elite/people frame.

Populism and the manufactured crisis of British ...

But I do think that the way in which the British political system deals with Brexit is incredibly inward-looking," Mr Coveney told the Irish Sunday Independent. "It's focused on British politics ...

Brexit is also part of larger phenomena in European and world politics. It is only one symptom of a deeper malaise in European integration, in addition to intractable problems regarding Eurozone reform in the North, migration in the South, security in the East, and the backsliding of liberal democracy in the center.

Brexit, British Politics, and European Integration ...

History of the British Political Model Pieter Lagrou The fact that the proposal to leave the European Union obtained a narrow majority of 51.89 per cent in the referendum of 23 June 2016 was initially seen as a major crisis of the European Union. Two years later it is increasingly clear that Brexit is foremost a major crisis of British parlia-
