Everyone in class has something important to say, and in sharing their poetry, they learn that they all face challenges and have a story to tell—whether it ' s about health problems, aging out of foster care, being bullied for religious beliefs, or having to take on too much responsibility because of an addicted parent. As Darrian and his classmates get to know one another through poetry, they bond over the shared experiences and truth that emerge from their writing, despite their private struggles and outward differences.

Hughes's last collection of poems commemorates the experience of Black Americans in a voice that no reader could fail to hear—the last testament of a great American writer who grappled fearlessly and artfully with the most compelling issues of his time. “ Langston Hughes is a titanic figure in 20th-century American literature ... a powerful interpreter of the American experience. ” —The Philadelphia Inquirer From the publication of his first book in 1926, Langston Hughes was America's acknowledged poet of color.
