I have had my Brother NS30 for about 7 years now. For the first 5.5 years I only used it for hems, curtains etc but it has literally taken a beating in the last 1.5 years. I have just gotten back into sewing properly and made clothes for myself and my kids, bags, thick quilted fabrics, leather wallets, vinyl, you name it.

This reader remains the only major new reader of Old English prose and verse in the past forty years. The second edition is extensively revised throughout, with the addition of a new 'Beginning Old English' section for newcomers to the Old English language, along with a new extract from Beowulf. The fifty-seven individual texts include established favourites such as The Battle of Maldon and Wulfstan's Sermon of the Wolf, as well as others not otherwise readily available, such as an extract from Apollonius of Tyre. Modern English glosses for every prose-passage and poem are provided on the same page as the text, along with extensive notes. A succinct reference grammar is appended, along with guides to pronunciation and to grammatical terminology. A

comprehensive glossary lists and analyses all the Old English words that occur in the book. Headnotes to each of the six text sections, and to every individual text, establish their literary and historical contexts, and illustrate the rich cultural variety of Anglo-Saxon England. This second edition is an accessible and scholarly introduction to Old English.

Kunene region in Namibia, the author describes and analyzes how the local Otjiherero-speaking pastoralists govern water usage after a decentralization reform of the rural water sector in the country. This book will be of interest to academics, policymakers, and practitioners who seek to better understand how water management institutions emerge, particularly at the intersection of state decentralization reforms and local practices in the Kunene Region, but also elsewhere in the world.
