Categorising Texts Example Answer

So I have an English exam on categorising texts. Sounds so silly but can someone break it down for me, does it basically just mean to group texts?? I just need to be completely sure on what I'm revising. What are the best ways of categorising and what are the easiest text features to group that are easy to remember too? Any other language points I should stay away from and if anyone has ...

Categorising Texts Example Answer

Each section of the Academic Reading Test contains one long text or reading passage. These texts/passages are taken from books, journals, magazines and newspapers. They have been written for a non-specialist audience and are on academic topics of general interest.

IELTS Academic Reading Passages With Answers

You should point this out when you are grouping your texts. For example - My first grouping is texts A, B, and C on the basis of phonology as all three texts include rhyme. Then go on to compare similarities of these texts then pull them apart on their genre, audience, subject and purpose. Just a suggestion. Hope you do well
