Mr. Schutze also possesses an excellent grasp of Mexican culture that elucidates the events here described. Cauldron of Blood is, beyond a true crime book, a study in pogonology, or the study of evil. The subject of that study is the principal perpetrator, an occultist and psychopath by the name of Adolfo Constanzo.

Cauldron of Blood: The Matamoros Cult Killings

Cauldron of Blood is one the most frightening books available today. Not only because of the graphic details of the 13 Satanic mutilation/murders carried out by the Matamoros cult, but also because some of the most crucial leads in the case have been covered up. The most serious aspect of the coverup is the now infa

Cauldron Of Blood The Matamoros Cult Killings Unlike Project Gutenberg, which gives all books equal billing, books on Amazon Cheap Reads are organized by rating to help the cream rise to the surface. However, five stars aren't necessarily a guarantee of quality; many books only have one or two reviews, and some authors are known to rope in friends and family to leave positive feedback.
