Many Christian singles struggle with loneliness, physical desires, and expectations. The world has answers to all of these needs, but so does the Bible. In *Single Servings*, author Lee Warren, himself an unmarried thirty-something, offers ninety devotionals for single Christians who find themselves pressured by one or more of these challenges. He takes an honest look at the struggle as well as the benefits of the single life, never attempting to minimize the realities of being single but always pushing the reader to find ultimate satisfaction in Christ and the church. Each devotional is followed by insightful questions that encourage both practical and spiritual reflection, making this is a must read for any single who

desires greater fulfillment and longs for wholeness.

Vogue has always been on the cutting edge of popular culture, and Vogue x Music shows us why. Whether they're contemporary stars or classic idols, whether they made digital albums or vinyl records, the world's most popular musicians have always graced the pages of Vogue. In this book you'll find unforgettable portraits of Madonna beside David Bowie, Kendrick Lamar, and Patti Smith; St. Vincent alongside Debbie Harry, and much more. Spanning the magazine's 126 years, this breathtaking book is filled with the work of acclaimed photographers like Richard Avedon and Annie Leibovitz as well as daring, music-inspired fashion portfolios from Irving Penn and Steven Klein. Excerpts from essential interviews with rock stars, blues singers, rappers, and others are included on nearly every page, capturing exactly what makes each musician so indelible. Vogue x Music is a testament to star power, and proves that some looks are as timeless as your favorite albums.

From the award-winning, #1 New York Times bestselling author of *Wayward Son*, *Fangirl*, *Carry On*, and *Landline* comes a hilarious and heartfelt novel about an office romance that blossoms one email at a time.... Beth Fremont and Jennifer Scribner-Snyder know that somebody

is monitoring their work e-mail. (Everybody in the newsroom knows. It's company policy.) But they can't quite bring themselves to take it seriously. They go on sending each other endless and endlessly hilarious e-mails, discussing every aspect of their personal lives. Meanwhile, Lincoln O'Neill can't believe this is his job now—reading other people's e-mail. When he applied to be “internet security officer,” he pictured himself building firewalls and crushing hackers—not writing up a report every time a sports reporter forwards a dirty joke. When Lincoln comes across Beth's and Jennifer's messages, he knows he should turn them in. He can't help being entertained, and captivated, by their stories. But by the time Lincoln realizes he's falling for Beth, it's way too late to introduce himself. What would he even say...?

Be inspired by Marjolein Bastin's passion for the natural world in this unique, inspirational sketchbook. The artist keeps detailed sketchbooks of the things she encounters in nature, combining both art and words. She draws inspiration from these sketchbooks to create her fully wrought, exquisitely detailed pieces of art. This book features sketches selected by Marjolein, with facing pages showing her finished art that was inspired by the sketches. Blank pages are included after each beautiful spread for the user's own drawings and

thoughts. With a durable cover, an envelope in the back for nature finds, and a bound ribbon bookmark, this sketchbook is both beautiful and useful.

From the author of the classic *A Little Life*—a bold, brilliant novel spanning three centuries and three different versions of the American experiment, about lovers, family, loss and the elusive promise of utopia. In an alternate version of 1893 America, New York is part of the Free States, where people may live and love whomever they please (or so it seems). The fragile young scion of a distinguished family resists betrothal to a worthy suitor, drawn to a charming music teacher of no means. In a 1993 Manhattan besieged by the AIDS epidemic, a young Hawaiian man lives with his much older, wealthier partner, hiding his troubled childhood and the fate of his father. And in 2093, in a world riven by plagues and governed by totalitarian rule, a powerful scientist's damaged granddaughter tries to navigate life without him—and solve the mystery of her husband's disappearances. These three sections are joined in an enthralling and ingenious symphony, as recurring notes and themes deepen and enrich one another: A townhouse in Washington Square Park in Greenwich Village; illness, and treatments that come at a terrible cost; wealth and squalor; the weak and the strong; race; the definition of family,

and of nationhood; the dangerous righteousness of the powerful, and of revolutionaries; the longing to find a place in an earthly paradise, and the gradual realization that it can't exist. What unites not just the characters, but these Americas, are their reckonings with the qualities that make us human: Fear. Love. Shame. Need. Loneliness. To Paradise is a fin de siecle novel of marvelous literary effect, but above all it is a work of emotional genius. The great power of this remarkable novel is driven by Yanagihara's understanding of the aching desire to protect those we love—partners, lovers, children, friends, family and even our fellow citizens—and the pain that ensues when we cannot.

Are Roman Catholics REALLY Christians? This eye-opening book examines 37 main Catholic doctrines, quoting official Catholic doctrine, then compares each doctrine with the Word of God. Written in a loving style, yet without compromising, this book clearly shows the eternal destiny of those who follow the pope of Rome. If you want to talk intelligently with Catholics about their salvation, you first must know what they believe. If you are like most Christians you will be shocked when you learn what Catholicism really teaches. Must reading for every Christian who knows or talks with any Roman Catholics.

Archer Training's CeMAP 2 Revision Guide is an excellent addition to your LIBF study material. Used by hundreds of people before you, this Guide helps you to understand the exam syllabus easily and speedily. 200 pages of bullet points, graphs, cartoons, newspaper cuttings and a complete test at the end.

The book is a survey of the rise and downfall of India with specific reference to the effect of political and social conditions on its educational system. The course of the low percentage of educated population today can be traced in the neglect of education by fanatic Muslim rulers and wrong policy of education wilfully adopted by Britishers.

Grdankl the Strong, president of Kprshtskan, is plotting to take over the American government. His plan is to infiltrate the science fair at Hubble Middle School, located in a Maryland suburb just outside Washington. The rich kids at Hubble cheat by buying their projects every year, and Grdankl's cronies should have no problem selling them his government-corrupting software. But this year, Toby Harbinger, a regular kid with Discount Warehouse shoes, is determined to win the \$5,000 prize-even if he has to go up against terrorists to do it. With the help of his best friends, Tamara and Micah, Toby takes on
