A commercial general liability (CGL) insurance policy provides indemnity against the risks that nearly all business owners face. It protects your business assets from any claims of injury related to your business and responds to claims of negligence made by a third party. The court costs alone from even one lawsuit could be financially devastating to most growing businesses.

[Commercial General Liability Insurance: Quotes & Coverage -](#)

What is General Liability Insurance? General liability is the broadest, most common form of insurance purchased by businesses, protecting them from a variety of claims. General liability protects businesses against risks such as personal injury, property damage, and other types of bodily harm that result from the business operations.

[General Liability Class Codes | List of Class Codes -](#)

The commercial general liability insurance policy offers protection to business owners by covering the defense cost and other legal costs arising due to third party liability and product liability claims. It also provides coverage against premises liability claims arising due to injury or damage.
