fought in the Pacific Theater of the war. To capitalize on the renewing interest that this series will create, we are revising The Complete Idiot's Guide® to World War II. The revision will focus on expanding the material in the book about the war in the Pacific with such important updates as: More details about the strategic battles such as Midway, Coral Sea. Detailed discussion about the submarine initiative and its impact on the Japanese economy. Details about the Japanese prisoner of war camps. The amazing history of the Navajo Code Talkers and their seminal role in the war This revised edition also includes a new selection of photos drawn from the U.S. military archives on the war in the Pacific as well.

An informative overview of world mythological traditions examines the gods and goddesses, heroes and heroines,

monsters and angels of myths from every region of the world, analyzing parallels between the traditions and lore of Celtic, Teutonic, Egyptian, Greek and Roman, Norse, Native American, and other cultures and including a glossary of terms and handy indexes. Original.

Born of grand sweeping strategies, World War 1 was a conflict marked by stalemate and slaughter - characterised by misery rather than heroism. From the eastern to the western front this book tells the story of war from start to end, revealing why the war started, describes the horrors of trench warfare and describes the new ways we found to kill each other including poison gas.

The good, the bad, and the ugly behind the NWO. The "New World Order" (NWO) is a conspiracy theory; describing

History, or existence of one-world government administered by the powerful elite. Now Alan Axelrod offers an understandable look at what the NWO really means to people and lets the reader decide which theories are correct- or whether perhaps it's a little bit of every proposed theory. He discusses: ?The Knights of Templar, the Illuminati, the Masons, ancient and modern-day religionists and how they paved the way for a possible Fourth Reich ?The link between the lost island of Atlantis, Hitler, and the first President Bush with the concept of a future one-world government ?The United Nations, Yale University's Skull and Bones society, the Rockefellers, Morgans, Rothschilds, and Kennedys

Think outside the borders. Global economics affects every aspect of our lives. Free trade agreements, tariffs, terrorism,

trade deficits, international debt, global warming, OPEC, outsourcing, and sweat shops are just some of the forces driving our world, food supply, jobs, and future. The Complete Idiot's Guide® to Global Economics provides the key to understanding the various facts, figures, policies, and practices that offer insight into this dynamic subject.

America's Past and Its Relevance Today
At times America's historical events can seem like a random collection of names, dates, and events, with no coherent storyline to pull them together. Understood as our collective biography, however, and free of the cheerleading found in many textbooks, The Complete Idiot's Guide to American History, Fourth Edition, enriches our understanding of who we are and gives us an understanding of where we are going.
