Consumers Union, the publisher of Consumer Reports, has been an influential and defining force in American society since 1936. The organization's mission has remained essentially unchanged: to work for a fair, just, and safe marketplace for all consumers. The Consumers Union National Testing and Research Center in Yonkers, New York, is the largest nonprofit educational and consumer product testing center in the world. In addition to its testing facility in Yonkers and a state-of-the-art auto test center in Connecticut, the organization maintains advocacy offices in San Francisco, Austin, and Washington, D.C., where staff members work on national campaigns to inform and protect consumers. In addition to its flagship publication, Consumer Reports, Consumers Union also maintains several Web sites, including www.ConsumerReports.org and www.ConsumersUnion.org, and publishes two newsletters--Consumer Reports on Health and Consumer Reports Money Adviser--as well as many special publications.

Test reports, profiles, and advice on nearly 200 new cars, sport-utility vehicles, minivans, and pickups are provided by America's #1 consumer product-testing center. 240 photos and charts.

Completely redesigned for 1996, to make it easier to find all the information on the cars on any reader's shopping list, Used Car Buying Guide now presents all models in alphabetical order. This annual bestseller steers consumers to the makes and models most

From one of the most prestigious nonprofit organizations devoted to environmental issues comes a clear, practical, and rational overview of the relationship between consumers and the environment. Paper or plastic? Bus or car? Old house or new? Cloth diapers or disposables? Some choices have a huge impact on the environment; others are of negligible importance. To those of us who care about our quality of life and what is happening to the earth, this is a vastly important issue. In these pages, the Union of Concerned Scientists help inform consumers about everyday decisions that significantly affect the environment. For example, a few major decisions--such as the choice of a house or vehicle--have such a disproportionately large affect on the environment that minor environmental infractions shrink by comparison. This book identifies the 4 Most Significant Consumer-Related Environmental Problems, the 7 Most Damaging Spending Categories, 11 Priority Actions, and 7 Rules for Responsible Consumption.
