This month, we are going to learn to crochet a different type of raised stitch – the post stitch. Post stitches are worked around posts, not in loops. Post stitches can be worked around the front or the back of the post and, like the loops, gives a different look to your work depending on whether you work around the front or back post.

When learning the single crochet, I had my 10 year old make a rectangle which we then folded in half to make a pouch! Note that I added the lining (here's a tutorial if you need help!) and then I added the zipper (here's a tutorial for that as well!) but he's happy as can be with his first REAL finished project.
