The Christian church was always destined to find its way to China. Long before the birth of the church, China existed, coalescing around profound philosophical concepts and powerful cultural symbols. It developed into a dynamic and enduring civilization. In time, Christian missionaries arrived on its shores, driven to bring the gospel to this people. This book starts with the story of that journey: the arrival of the missionaries who planted the seeds of the gospel in Chinese soil. As the seeds sprouted and grew, a new story of a unique and distinct Chinese church began. The epic narrative opens from uncertain beginnings in darkness, passes through intense hardship and years of struggle, and culminates with the triumphal emergence of the Chinese church from the shadows into the light of the global stage.

But when is she being pushed too far, and when should Jericho and his friends step in and risk losing their places in the pledging process? As Jericho becomes increasingly uneasy, his cousin Joshua breezes through the initiation, never thinking of the consequences, even when the fine line between fun and games, and life and death is crossed.
