In Days of Fire, Peter Baker chronicles the history of the most consequential presidency in modern times through the prism of its two most compelling characters, capturing the elusive and shifting alliance of George Walker Bush and Richard Bruce Cheney as no historian has done before. He brings to life with in-the-room immediacy all the drama of an era marked by devastating terror attacks, the Iraq War, Hurricane Katrina, and financial collapse.

These are days of fire, days for people of God to find their voices and make their way to speaking truth into the injustices caused by white supremacy, white privilege and white nationalism. God has seen, God has heard and God is sending you! These are days of fire. The work of the Spirit sits at the heart of people of faith.

to Razor & Tie Records. Their last album Losing All was released January 26, 2010 and was produced by Rogers Masson

~~Day of Fire—Wikipedia~~

[91] The end comes with the titular "days of fire". The transition from autumn to winter (a theme repeated here from the titles of the previous chapters of the book) may refer to the decline of the human race, or even to the coming Winter of the changelings. The last generations of humanity have one last chance to save their race as the world burns.
