## Doctor Who: Why Genesis of the Daleks is essential to watch

"Genesis of the Daleks" is still generally viewed as one of the best Doctor Who story of all time - but in reality, it is the Doctor's biggest mistake. In 1974, Dalek creator Terry Nation was asked to write the definitive origin story of the Daleks. "Genesis of the Daleks" aired a year later, and it initially proved controversial, with campaigner Mary Whitehouse complaining it was just "tea time brutality for tots."

Genesis of the Daleks was the fourth and penultimate serial of season 12 of Doctor Who. It introduced Davros, creator of the Daleks, and showed the story of their origins. Davros later played a prominent role in every following Dalek serial up to Remembrance of the Daleks in 1988. Genesis of the Daleks is also notable for being the only time in the classic television series that the TARDIS does not appear whatsoever for two consecutive serials.
