Here we will discuss Documentum
which is from EMC and SharePoint

Access PDF Documentum Tutorial

which is from Microsoft. Both the platforms provide industry-leading features and both are scalable platforms. Both of them also has custom building features or modules.

~~Documentum vs SharePoint~~

Access PDF Documentum Tutorial

~~SP~~Guides

Documentum is like a normal filesystem (hard drive) on steroids. Instead of storing your files on your own hard disk, you store them inside the Documentum system. This allows people to access your files if they need to

Access PDF Documentum Tutorial

and allows you to access their files. It ' s kind of like a network file server, but much fancier.
