In the second installment in the Omega series, "Double Edged Blade," author Blake Banner sends his protagonist, special ops vet Lacklan Walker, on a completely new assignment. Walker's a good guy and decides to help somebody out. He's just lost his father and inherited his dad's position in the shadowy Omega group. But he doesn't want it.

Double-Edged-Blade—An-Omega-Thriller-(Omega-Series-Book—

They claimed that research showed the tandem action of the two blades to give a closer shave than a single blade, because of a "hysteresis" effect. In addition to the cutting action of the first blade, it is also supposed to pull the hair out of the follicle into which it does not fully retract before the second blade cuts it further. The extent to which this is of practical consequence has, however, been questioned.

Safety-razor—Wikipedia

A hedge trimmer with double-action cutting means it has two moving blades. A hedge trimmer with the single-action blade has only one moving blade and one stationary blade. Hedge trimmers with double-reciprocating blade considered stronger and produce a finer cut with less noise produced.

It's a perfect gift for Father's Day, Valentine's Day, birthdays, graduations, and bar mitzvahs--and a particularly apt gift for men who shave daily but when asked whether they actually enjoy shaving answer, "No, I hate it!" Give them this book so that they can look forward eagerly to their next shave--and that is not an exaggeration. Men who have just started DE shaving frequently write that they wish they could shave more than once a day and look forward eagerly to the next shave. This is the seventh edition of the complete beginner's guide to traditional wetshaving--brush, shaving cream or soap, and using a safety razor with double-edged blade. It's a major update of the previous edition: longer, with new sections and new information. It covers not only the basics of how to shave with a double-edge safety razor, but also DIY projects and guidelines on collecting. Reviews of new razors and other shaving products are included, and the appendix now includes over 150 on-line vendors as well as forums and reference sites. The book provides excellent guidance for beginners putting together their first shaving kit and discusses tradeoffs in the options for the initial purchases. Traditional shaving is enjoyable and thrifty: double-edged blades are as low as 7 ¢ each--a year's worth of shaves for \$3.50--compared to the same amount spent for one single disposable multiblade cartridge. The recommended beginner razor, the Parker 24C, can last a lifetime and uses a head that is both very comfortable and also very efficient, when used according to the techniques described in the book. The multiblade cartridge's tug-and-cut action often results in skin irritation, razor bumps, in-grown hairs, and razor burn--thus all the "protective" shaving preparations and "soothing and healing" aftershave now offered. Most men with these skin problems decide that they have "sensitive skin," never realizing that the problem is their daily use of a multiblade cartridge whose its tug-and-cut action, made even worse by the shaver pressing hard to try to extend the life of the (expensive) cartridge. The book also includes a chapter on shaving and skin problems, including information on how DE shaving can help those who have acne as well as how to cure and prevent razor bumps and in-grown whiskers. The book is a complete instruction manual and guide for those just beginning DE shaving, and it also includes links to a host of resources on the Web that complement the book.

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners – from Mahatma Ghandi to Kurt Vonnegut Jr. – have written for the magazine.

Joel smiled at the thought that he was becoming an important member of the Blades. Tonight he was the trusted lookout while others took anything of value from the run-down store. This is only the beginning, he thought. Heaven has its hands full looking after Joel Somers. Fifteen and a member of the Blades, a dangerous street gang, Joel considers the other gang members his only true family, even when they treat him like dirt. On the run after the Blades' failed attempt to rob a video store, Joel seeks refuge at a Christian youth conference. There, after hearing a speaker with a story strikingly similar to his own, he gives his life to Christ. So begins a life-changing journey in which Joel experiences the angst of sudden homelessness, the deepening joy of Christian friendships, increasingly dangerous clashes with former gang members, and the ambivalent return of his once-criminal dad. In Double-Edged Blade, readers are given a unique glimpse of the unseen battle between good and evil. God himself and Abner, an angel assigned to protect Joel, discretely nurture his newfound faith while combating human and spiritual antagonists bent on Joel's destruction. But does Joel have enough faith to get him through the deadliest encounter of his life?

Crime-Scene-Investigation—Crime-Scene-Investigation

Crime scene investigators are the foundation for every criminal investigation. The admissibility and persuasiveness of evidence in court, and in turn, the success of a case, is largely dependent upon the evidence being properly collected, recorded, and handled for future analysis by investigators and forensic analysts in the lab. Complete Crime Sco

Double-Edged-Blade—Amazon

Action, action, yet more action. No action film worthy of genre would be caught dead without its fair share of red-hot lead and no-holds-barred fisticuffs, high-octane pursuits and gravity-defying gymnastics. Then again, nonstop action soon wears thin absent a rooting interest in Last Man Standing First Woman to Cross Finish Line. Rooting interest inheres not in overt action, no matter how artfully choreographed or breathtakingly executed. Rather, rooting interest comes from empathy for the protagonist and, more precisely, from the dramatic action embodied by the protagonist's struggle to accomplish a worthy goal opposed by a formidable foe. Action is a double-edged blade, overt action being a necessary but insufficient condition to sustain viewer interest, which soars and ebbs to extent that dramatic action intersects with-injects meaningfulness into-gunplay and fistfest, acrobatics and pyrotechnics. Lights! Camera! Action! spotlights the essential elements of action comedy, action romance, and action adventure. It underscores the crucial distinction between overt and dramatic action, which a screenwriter must weave together in order for an action script to hum and shimmer, pulsate and zing.

When SAS vet, Lacklan Walker buries his father at the family graveyard in New England, the last person he expects to see at the funeral is his childhood friend and sweetheart, Marni - the woman who'd killed his father. To make things more complicated, his father's dying wish was that Lacklan should look after her and protect her. Because Marni is on a mission, a mission to bring down the shadowy organization called Omega, the government within a government, a mission that might just save Mankind. But when Lacklan tracks her down to Tucson, Arizona, his biggest enemy turns out to be his own passion, his own need for redemption. A need that leads him astray and drags him ever deeper, as avenger and executioner, into the cross-border trade in crack cocaine and young Mexican prostitutes. But will his blind hunger for justice drive him to forget his promise to his father? Will it lead him to make the biggest mistake of his life - a mistake that could have disastrous consequences not just for him and Marni, but for the world...?
