A private detective is following the girl he is in love with. A former air force pilot, he is discovering some sides in the human nature he can't deal with. If you already have background with Spanish language, this book is the best one to try. It makes use of the ALARM Method to efficiently teach its reader Spanish words, sentences and dialogues. Through this method, a person will be able to enhance his or her ability to remember the words that has been incorporated into consequent sentences from time to time. The book is equipped with the audio tracks. The address of the home page of the book on the Internet, where audio files are available for listening and downloading, is listed at the beginning of the book on the copyright page.

Sharpen your Spanish language skills through readings about its speakers' daily lives and culture Better Reading Spanish offers you entertaining, "real world" texts to help you understand and learn more Spanish vocabulary and phrases. Each chapter features articles that cover a specific topic, such as cuisine, music, sports, film and theater, art, the family, today's lifestyle, or politics and history. Along the way, you will find instruction and exercises to help develop improved reading speed, comprehension, and vocabulary. The articles become gradually more difficult as you proceed through the book to keep you challenged and engaged. Better Reading Spanish is an easy, engaging way to boost your language skills and learn more about the language and its speakers as you go.

A proven grammar-based approach that gets you communicating in Spanish with confidence, right away Easy Spanish Step by Step proves that a solid grounding in grammar basics is the key to mastering a second language. Grammatical rules and concepts are clearly explained in order of importance, and more than 300 verbs and key terms are introduced on the basis of frequency. Numerous exercises and engaging readings help learners quickly build their Spanish speaking and comprehension prowess.

Fundamental Spanish is a clear, concise grammar book for teachers and beginner to intermediate self-learners. The book is structured so that each chapter becomes the base for the next. Once a lesson is understood, it becomes the basis for the next. The sequence of learning is orderly, logical and clear. There are tons of written and oral exercises to facilitate and guide learning so that self-learners can test their own progress and practice speaking and understanding. A pronunciation chart is provided and pronunciation tips are given throughout the book as reminders that the ultimate goal of this grammar book is not only to be able to read and write Spanish, but also to speak and understand Spanish. For the teachers: Fundamental Spanish is based on the idea of the task chain; the successful completion of one sequence of gramar is dependent on the successful completion of the task before. The book builds the grammatical base lesson by lesson. The order and clarity of the explanations will give you the flexibility to move as quickly or as slowly as you wish as you teach grammar and conversation. It can also be used to review any elements that your particular class requires.
