and Elyse have never met.
But they both have something
to hide. Quiet, shy Elyse
can't believe it when she's

cast as the lead in her Portland high school's production of Romeo and Juliet. Her best friend, Brynn, is usually the star, and Elyse isn't sure she's up to the task. But when someone at rehearsals starts

to catch her eye--someone she knows she absolutely shouldn't be with--she can't help but be pulled into the spotlight. Austin native Gabe is contemplating the unthinkable--breaking up with Sasha, his headstrong,

The East African group Al Shabaab is one of the century's most successful violent jihadist movements. Now over a decade old, its staying power has defied

Where To Download Everything You Told Me

local and international efforts to destroy it, including US drone attacks and an African Union force. It also has governing power, ruling over millions of Somalis and vast swathes of territory, and physical

Where To Download Everything You Told Me

power, committing
spectacular acts of
violence. But what lies
behind the headlines and the
bloodshed? Who are Al
Shabaab and why do people
join? How does this
organization govern, educate

Where To Download Everything You Told Me

and indoctrinate? How does it operate such successful financial, communications and intelligence networks? BBC Africa Editor Mary Harper has reported on Somalia for twenty-five years. She has gained

Where To Download Everything You Told Me

extraordinary access to members of Al Shabaab—and they in turn have intruded unsettlingly into her life. Travelling throughout the region, she speaks to ordinary people with daily experience of Al Shabaab.

Where To Download Everything You Told Me

Some have suffered tremendous loss or made unbearable compromises; others have benefited, often in unexpected ways. Harper's account is a must-read for anyone looking to get under the skin of violent

jihadists, those who report on them, and those who must live in their shadow.

Patricia was born deaf. Her mother, Billie, refused to come to terms with the hardships Patricia faced as a result of being different from other children. After

her parents divorced when she was only 3 years old, Patricia was subjected to a life inside of her mother's narcissism. Only after Billie died in 1984, did Patricia begin to uncover the unspeakable secrets her

mother kept from her for over 30 years. One phone call from a hotel room in California changed everything. It turned out that Patricia never really knew her mother at all. It began with a collection of

photographs, receipts,
paystubs, news articles,
random clippings, greeting
cards, phone calls, and
memories. My mother,
Patricia, saved everything
from her harrowing search

A daughter searches for the

who raised her. Klara tells herself she has long ago come to terms with her mother's disappearance from her life, but then she receives a note and key from someone who calls themselves 'N.R.'. These lead her to a

Soon to be an original series on Hulu! "A twisted modern love story" (Parade), Tell Me Lies is a sexy,

Where To Download Everything You Told Me

thrilling novel about that one person who still haunts you—the other one. The wrong one. The one you couldn't let go of. The one you'll never forget. Lucy Albright is far from her Long Island upbringing when she arrives

Where To Download Everything You Told Me

on the campus of her small California college and happy to be hundreds of miles from her mother—whom she's never forgiven for an act of betrayal in her early teen years. Quickly grasping at her fresh start, Lucy

Where To Download Everything You Told Me

embraces college life and all it has to offer. And then she meets Stephen DeMarco. Charming. Attractive. Complicated. Devastating. Confident and cocksure, Stephen sees something in Lucy that no

Where To Download Everything You Told Me

one else has, and she's quickly seduced by this vision of herself, and the sense of possibility that his attention brings her. Meanwhile, Stephen is determined to forget an incident buried in his past

Where To Download Everything You Told Me

that, if exposed, could ruin him, and his single-minded drive for success extends to winning, and keeping, Lucy's heart. Lucy knows there's something about Stephen that isn't to be trusted. Stephen knows Lucy can't tear

Where To Download Everything You Told Me

herself away. And their
addicting entanglement will
have consequences they never
could have imagined.

Alternating between Lucy's
and Stephen's voices, *Tell
Me Lies* follows their
connection through college

and post-college life in New York City. “Readers will be enraptured” (Booklist) by the “unforgettable beauties in this very sexy story” (Kirkus Review). With the psychological insight and biting wit of Luckiest Girl

Alive, and the yearning ambitions and desires of Sweetbitter, this keenly intelligent and supremely resonant novel chronicles the exhilaration and dilemmas of young adulthood and the difficulty of

know you should.
