"Express Ways"

provides dynamic, communicative practice that involves students in lively interactions based on the content of real-life contexts and situations. The functional syllabus is fully integrated into a complete conversational course in which students not only learn the various ways to express

Read Online Expressways

each function, but also intensively practice the grammatical forms required to turn functional expressions into lines of effective communication in English.

This comprehensive introduction to general workplace communication helps students learn the

Read Online Expressways

language they need to obtain employment and communicate effectively with supervisors, co-workers, and customers. Also includes a Word-by-Word/ Side-by-Side correlation key.
