any favourite activity. It will be one of opinion of your life. when reading has become a habit, you will not make it as disturbing actions or as tiring activity.

## **Extension And Communication Management**

Communication - the sharing of ideas and information - forms a

# Get Free Extension

large part of the extension agent's job.

By passing on ideas, advice and information,

he hopes to influence the decisions of farmers.

He may also wish to encourage farmers to communicate with one another; the sharing of problems and ideas is an important stage in planning group or village activities.

# Get Free Extension Communication

## **4. Extension and communication - Food and Agriculture ...**

Communication refers to the process by which information is exchanged between two or more people (increasingly, machines are also included in communication, but we limit the discussion here to communication

# Get Free Extension

(between people). Each of the management roles—planning, organizing, leading, and controlling—depends on effective communication.

## **Communication and Management | Principles of Management**

The extension agent communicates with the

# Get Free Extension

people in groups and not as individual persons.

Examples are group meeting, small group training, field day or farmers' day, study tour etc. Mass contact: The extension agent communicates with a mass of people, without taking into consideration their individual or group identity.

Communication

Accommodation Theory  
Communication

Accommodation Theory

describes when people accommodate or adjust their communication styles to others. These changes in verbal and nonverbal styles are done through two ways: divergence and convergence.

# Get Free Extension

Divergence is used to highlight group identity through touting the differences of the group
