Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, The Mister combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

When Anastasia Steele, a young literature student, interviews wealthy young entrepreneur Christian Grey for her campus magazine, their initial meeting introduces Anastasia to an exciting new world that will change them both forever. Reissue. Movie tie-in.
