Ang Fifty Shades of Grey (Limampung Anino ni Grey) ay isang nobelang romansang erotiko (erotic romance novel) na isinulat ni E. L. James, isang may-akda mula sa Nagkakaisang Kaharian, na una sa trilohiyang Fifty Shades. Sinusundan nito ang palalim na pagmamahalan nina Anastasia Steele, na katapos lang ng kolehiyo, at Christian Grey, isang negosyanteng may kabataan.

In Christian's own words, and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world. CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him past the business prodigy and the penthouse lifestyle to Christian's cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

Young, arrogant tycoon Earl Grey seduces the naïve coed Anna Steal with his overpowering good looks and staggering amounts of money, but will she be able to get past his fifty shames, including shopping at Walmart on Saturdays, bondage with handcuffs, and his love of BDSM (Bards, Dragons, Sorcery, and Magick)? Or will his dark secrets and constant smirking drive her over the edge?

When Anastasia Steele, a young literature student, interviews wealthy young entrepreneur Christian Grey for her campus magazine, their initial meeting introduces Anastasia to an exciting new world that will change them both forever. Reissue. Movie tie-in.

A wryly whimsical culinary parody of E. L. James' Fifty Shades trilogy combines epicurean double entendres, 50 chicken recipes and the story of a young free-range chicken who finds herself at the mercy of a kinky and dominating chef, in a parody that includes such dishes as "Sticky (Chicken) Fingers" and "Bound Wings."

He was known as The Golden Torso, the underwear model who famously dated Keira Knightley. But Jamie Dornan has always dreamed of being an actor - and as star of the hotly-anticipated Fifty Shades of Grey movie he has finally sealed his position in Hollywood. From his role as S&M hero Christian Grey in the adaptation of EL James' hit novel to playing a serial killer in BBC series The Fall and Abe Goffe in New Worlds, Jamie is carving a name for himself playing characters with a serious passionate side. But the path to success has been far from easy for the Northern Irish actor. His personal life has had as many twists and turns, highs and devastating lows as the shows that are making him famous. Son of a doctor, Jamie and his two sisters had what looked like a charmed childhood growing up in a sprawling family home in an affluent area of Belfast, attending a top boarding school with dreams of treading the boards like his legendary great aunt Greer Garson. But looks can be deceiving and behind the sports trophies and amateur acting triumphs, there was a series of personal tragedies, the burden of which Jamie still carries with him today. He later struggled to cope with life in the limelight as an internationally famous model in his twenties dating an actress and winning hordes of female fans the world over posing alongside Kate Moss and Eva Mendes. Now married and father to a baby daughter, the Bafta-nominated star has a new set of challenges on his hands. In this insightful biography, Louise Ford reveals Jamie's successes and struggles both on and off screen and explores what the future holds for the model turned actor who once doubted he could ever have it all.

In the early part of the twentieth century, migrants made their way from rural homes to cities in record numbers and many traveled west. Los Angeles became a destination. Women flocked to the growing town to join the film industry as workers and spectators, creating a "New Woman." Their efforts transformed filmmaking from a marginal business to a cosmopolitan, glamorous, and bohemian one. By 1920, Los Angeles had become the only western city where women outnumbered men. In *Go West, Young Women*, Hilary A. Hallett explores these relatively unknown new western women and their role in the development of Los Angeles and the nascent film industry. From Mary Pickford's rise to become perhaps the most powerful woman of her age, to the racist moral panics of the post-World War I years that culminated in Hollywood's first sex scandal, Hallett describes how the path through early Hollywood presaged the struggles over modern gender roles that animated the century to come.

The final two books in the phenomenal Fifty Shades trilogy *Fifty Shades Darker* and *Fifty Shades Freed* Daunted by the dark secrets of the tormented young entrepreneur Christian Grey, Ana Steele has broken off their relationship. But when Christian proposes a new arrangement, she cannot resist. Soon she is learning more about the harrowing past of her damaged, driven and demanding Fifty Shades than she ever thought possible. *Fifty Shades Freed* Anastasia Steele always knew that loving Christian Grey would not be easy, and being together poses challenges neither of them had anticipated. But, finally together, they have love, passion, intimacy, wealth, and a world of infinite possibilities. Then just when it seems that they really do have it all, tragedy and fate combine to make Ana's worst nightmares come true...
