If copyright law does not liberate us from restrictions on the dissemination of knowledge, if it does not encourage expressive freedom, what is its purpose?

“ An encouraging work that will provide hope to those living with chronic conditions. ” — Kirkus “ If you have an invisible illness or know someone who does—Living Human is a must read...This book is jam packed with everything you need to reclaim your life. ” — Jacinta Parsons, ABC Radio Broadcaster & Author of Unseen “ Flic has turned trauma into her superpower and inspires anyone going through any pain that they too can win at their game.” — Fred Schebesta: Founder of Finder, Author of Go Live, AFR Young Rich Lister My deepest wish is that reading this book will inspire you to take a look at your human experience and see it for the beautiful, painful blessing that it is. Whether you face illness and pain or you want to build a scalable business, you have the power to do it no matter what life throws at you by doing it your perfectly imperfect way, with your perfectly imperfect body and mind. Flic Manning has lived a life that is anything but traditional. With the odds stacked against her, facing incurable invisible diseases and mental health issues, she has walked the path less traveled to embrace the power she believes we all have inside no matter what complexities we face. In this wellness memoir, Flic takes us through her deeply personal journey, from struggling with pain and illness as a dancer to finding her voice and stepping into her most human, raw, and powerful self as an entrepreneur and wellness advocate. Her story contains nuggets of wellness and mindset wisdom wrapped up in lessons from her journey that are sometimes dark, other times deeply funny, and always inspiring. You will be uplifted, but you will also discover the sustainable wellness steps you can take to make your life a profound and healthy one

Comments and illustrates the processes and techniques of printing, analyzes mistakes, provides stencil projects, and details the finish product.

From the day he sets foot in the Hampstead house, Matthew Gardner realises that life with his new wife,

Caroline, is going to be rougher than he'd hoped. Two of her three teenage daughters, Flic and Imogen - charming to him in public - actually loathe him. If only their mother could see Matthew through their eyes, the girls feel, life would be so much easier. And the two girls are utterly determined to get rid of their stepfather, and chillingly ruthless in their methods. 'A compulsive and gripping tale with a high body count and lots of intrigue' Bookseller

**ONE COACH ' S JOURNEY FROM EAST TO WEST: HOW THE FALL OF THE IRON CURTAIN CHANGED THE WORLD OF GYMNASTICS** Until the fall of the Soviet Union the West and the Communists were engaged not only in a heated arms race but a race for Olympic gold, and Moscow poured tremendous resources into the effort, attracting some of the country's greatest minds. Author Vladimir Zaglada provides a look inside some of the Soviet Union ' s gymnastics " think tanks, " such as the Moscow ' s Lenin Institute. One Coach's Journey from East to West also introduces us to some of the brilliant and colorful figures that have advanced the art of gymnastics and examines how the flood of coaching talent into the West has shifted the "balance of power." The force of this "flood" has been somewhat impeded by cultural and language barriers, which are also discussed in the book. "Hot topics" such as the relentless increase in the difficulty level of artistic gymnastics are also discussed and a number of technical issues are covered, complete with illustrations. Zaglada provides a rare look inside the world of Soviet gymnastics at its height and provides information never before published in English. Did the machinery that cranked out Soviet gymnastics champions allow for a happy childhood? Why has the balance of power in gymnastics shifted in America's favor – but will Russia retake the throne? The rigid line between "amateurs" (who are true professionals in almost all senses of the word) and professionals – is the "amateur" in "amateur gymnastics sacred? Is there an ideal physique for women's gymnastics? How much of current American coaching practice can be traced back to Soviet sports institutes? Ever heard of the "profile system"? What is the difference between an Arabian, an Onodi, and a Mostepanova? Why a few basic terms are constant sources of confusion. How effective was the system of incentives for Soviet gymnasts and coaches? How did the nomenklatura system of privileges and patronage impact Soviet gymnastics?
