Clay craft is a fun and interesting way

to encourage a child ' s imagination

and creativity. Kids love the vibrant

colours and doughy texture of

modelling clay or play dough. Playing

with clay also improves the fine motor

skills of children, as they use their

hands to mould different shapes.

Kids' modelling clay can be used to create models of every shape and size. As they create, your children will develop important gross and fine motor skills. Play-Doh is also a favourite sensory toy. Whatever they're creating and however they like to have fun, children will love their modelling clay experience.
