Fundamentals of English

Grammar, Volume A 2nd Edition

Word order is the most important element of what is known as syntax . English is an " analytic language " ; this means that it does not use a lot of word endings to indicate the relation between words. The relation between words is principally determined by the order in which they are placed. The most fundamental rule is that in a basic declarative statement, the subject comes first; it is followed by the verb, and then by the
