A powerful depiction of racial tensions arising over the death of a Cajun farmer at the hands of a black man--set on a Louisiana sugarcane plantation in the 1970s. The Village Voice called A Gathering of Old Men "the best-written novel on Southern race relations in over a decade."

Founded at the University of Georgia in 1947 and published there ever since, The Georgia Review has become one of America's most highly regarded journals of arts and letters. Never stuffy and never shallow, The Georgia Review seeks a broad audience of intellectually open and curious readers--and strives to give those readers rich content that invites and sustains repeated attention and consideration. Pulitzer Prize winners and never-before-published writers are equals during the Journal's manuscript evaluation process, whose goal is to identify and print stories, poems, and essays that promise to be of lasting merit. The year 2012 marks the sixty-fifth anniversary of The Georgia Review, and Stories Wanting Only to Be Heard will acknowledge that milestone by presenting a selection of the remarkable short fiction published across the decades. The collection includes the work of well-known writers, many of whom were not yet so well known when first selected for publication by The Georgia Review, and also highlights compelling work from writers whose names may not be as familiar but whose stories are equally compelling and memorable. The stories collected here--each one vivid, distinctive, and worthwhile to read--stand as testament to the significance of The Georgia Review's decades of work to identify and promote writing of exceptional quality. Publication of this book was made possible, in part, by the President's Venture Fund through generous gifts of the University of Georgia Partners.

As the acclaimed author of The Autobiography of Miss Jane Pittman and A Lesson Before Dying, Ernest J. Gaines (b. 1933) has been publishing stories and novels for more than sixty years. His brilliant portrayals of race, community, and culture in rural south Louisiana have made him one of the most respected and beloved living American writers. Ernest J. Gaines: Conversations brings together the author's own thoughts and words in interviews that range from 1994 to 2017, discussing his life, his work, and his literary legacy. The interviews cover all of Gaines's works, including his two latest books, Mozart and Leadbelly: Stories and Essays (2005) and The Tragedy of Brady Sims (2017). The book provides a retrospective of his work from the viewpoint of a senior writer, now eighty-five years old, and gives an important international perspective on Gaines and his work. Among the many things Gaines discusses in his interviews are the recurrent themes in his works: the search for manhood, the importance of personal responsibility and standing with dignity, the problems of fathers and sons, and the challenges of race and racism in America. He examines his fictional world and his strong sense of place, his role as teacher and mentor, the importance of strong women in his life, and the influence of spirituality, religion, and music on his work. He also talks about storytelling, the nature of narrative, writing as a journey, and how he sees himself as a storyteller.

Discover how sugar--white gold--changed the world and how coolie indentureship replaced slavery through trickery and kidnapping. Against the backdrop of plantation life, the author, a master of innovative historical fiction, lures the reader into a world of intrigue, adventure, and romance. Caught up in this grand scheme, thugs snatch Raja away from his pretty wife and herd him to join the hundreds of thousands before and after him onto a sailing ship in Calcutta headed to the distant colony of British Guiana. The year is 1869. When the British fail to return Raja to his homeland, he makes good as a free man in the new colony. In his old age, he returns to his native home. Will he relight the spark of a once beautiful romance? Does he find solace in the Old World or the New?

Disaster at the Pole Year after year, Christmas happens as predicted, but not this year. This spring, the weather was very warm at the North Pole, causing unusual climate conditions. While Santa was away on a robot-buying trip, disaster strikes Crystal Valley. The inventory of manufactured toys, gadgets, and gizmos is totally destroyed, and the elves were lucky to save themselves and the reindeer. With six months to Christmas, Santa needs help and sends out an SOS, save our shop. Grandmas and grandpas from around the world respond to save Christmas yet again. Hold on tight, lots of up and downs with an unusual happy ending.

Ernest J. Gaines, the author of many acclaimed works of fiction, including The Autobiography of Miss Jane Pittman and A Gathering of Old Men, was born in 1933 in the small south Louisiana town of Oscar. In his childhood the center of his world was the old slave quarters on the River Lake Plantation, where five generations of his family lived. All of Gaines's books have been set in this general area of Louisiana, and though none of his work is strictly autobiographical, his writing bears the distinctive stamp of the rural folk culture amid which he was raised. Marcia Gaudet and Carl Wooton's Porch Talk with Ernest Gaines is a collection of interviews conducted on the porch of Gaines's home in Lafayette, Louisiana, where he is writer-in-residence at the University of Southwestern Louisiana. Gaines talks about a variety of topics, including the influence of other writers--among them Faulkner, Hemingway, and Mark Twain--on his style and the importance of oral tradition and folk culture to his writing. He discusses the major themes of his work, such as survival with dignity and the search for manhood, and he describes the relationships among the black, Creole, and Cajun communities of south Louisiana and how they have been portrayed in his fiction. Gaines also comments on the craft of writing, his role as a teacher, the film versions of some of his books, his relationships with his agent and editors, and his work in progress. This is the first book-length work on Gaines to be published. It will be of importance to scholars and students of American literature, particularly southern and Afro-American literature, because it gives the reader valuable insights into Gaines's life and writing. The format and conversational tone of the book will also appeal to the audience drawn to Gaines's fiction.

These collections of literature are perfect for additional reading.
