Sheet Music. Gimme Gimme  
Gimme. Half past twelve And  
I'm watching the late show  
in my flat all alone How I  
hate to spend the evening on  
my own Autumn winds Blowing  
outside the window as I look  
around the room And it makes  
me so depressed to see the  
gloom There's not a soul out  
there No one to hear my  
prayer

bass part that underpins the

song. Forget the awful Madonna song that sampled this tune - the original is a disco-pop gem and a serious bass workout, which requires a great deal of stamina and technical accuracy to perform with any authority.
