About the Novel: The Giver is a Newbery Medal winning story about a child named Jonas who lives in a futuristic society in which everything is managed and controlled, eliminating hatred, hunger, war, love, families and personal decisions. When Jonas is assigned the task of becoming the next Receiver of Memory, the Giver transmits memories of a past world where hatred, war and love existed, revealing the truth to the young boy. Jonas soon realizes the horrors of his "perfect" society. Through the memories imparted to him from the Giver, Jonas also learns of an alternative, better world. The Giver and Jonas come to the realization that for the good of the community, these memories must be transferred to the entire community. In order to do this, Jonas and the Giver must leave – the Giver through death, and Jonas through escape. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.
