Global Bank Regulation: Principles and Policies by Heidi ...  
Book description. Its focus on the prudential, global regulation of financial institutions drives this book's unique exploration of global policy principles. Integrating theory, history, and policy debates, it provides a high-level, strategic treatment of the regulation of global banking. With finely focused definitions and an intuitive scope, the authors pay particular attention to the international standards set by bodies such as the Basel Committee on Banking Supervision and the European ...
