Sometimes the best way to get back on track is to not think and just do what the master tells us. In the spirit of that idea, we created this toolkit to help struggling guitarists do just that. Our 2020 practice plan covers the most frustrating roadblocks guitarists tell us they face. Take a breath, grab your guitar and follow

A practice log is different than a journal because it only tracks how much time you spent practicing. This is useful for accountability and for setting practice

Read Free Guitar Practice Log Weekly Planner 10 Row

goals. For example, you might think that you are practicing most days, but when you start keeping a practice log you see that you actually only practice three days a week.

A great use of this guitar practice sheet is starting with the intro on practice session one, if you struggle on anything make a note for when you practice again. If you know you will not struggle on some things, you could use it as a planner by completing the 'What you did' sections for a couple of dates in the future.

Why Plan Your Guitar Practice? There are

Read Free Guitar Practice Log Weekly Planner 10 Row

myriad reasons to have a basic (if not detailed) plan or schedule for your guitar practice. Different Hats. The kind of thinking it takes to plan your guitar practice, both in the short and long term, is a different sort of thinking than it takes to actually practice.
