Twenty-first-century men are too often frustrated cubicle dwellers while deep in their hearts they dream of Braveheart. The ancient Greeks believed manly courage--physical, moral, and spiritual--was found in the male soul. Called thumos, this type of courage appears in the New Testament, urging men to take action. For many men, thumos is the missing ingredient in their spiritual growth, ready to bless them with power, purpose, and integrity to make them better leaders, disciples, husbands, and fathers. Thumos, says Paul Coughlin, will repair the twenty-first-century male soul. In *Unleashing Courageous Faith* Paul Coughlin is simply a guy with a strong message for other guys--including former Christian Nice Guys. He unflinchingly looks at both the noble and undesirable aspects of thumos, coaching men to choose the good and resist the bad. This book is filled with practical help and information in Coughlin's signature readable style, packed with illustrations from his life and the lives of admirable men. It's ideal for men's groups as well as individuals.

"Unleash Your Full Potential" is the newest book in the "Full Potential" book series, which is the product of James Rick's quest to take thousands of hours of research and distill it into clear, concise, immediately useful information. What began as a desire to have more good days than

File Type PDF Hidden Power How To Unleash The Power Of Your Subconscious Mind

bad days, and a curiosity about dreams and meditation, evolved into thousands of hours of research and experimentation in the areas of personal development, philosophy, biology, physics, psychology, evolution, religion and spirituality, naturally altered states of consciousness, entrepreneurship, economics, and politics. The broad scope of James' experience and study gives him a unique perspective not usually found in other forms of literature or presentation.

□A valuable call to action for small shareholders to change the ways big corporations do business. □Robert Reich, former US Secretary of Labor Want to make misbehaving corporations mend their ways? You can! If you own their stock, corporations have to listen to you. Shareholder advocate Andrew Behar explains how to exercise your proxy voting rights to weigh in on corporate policies—you only need a single share of stock to do it. If you've got just \$2,000 in stock, Behar shows how you can go further and file a resolution to directly address the board of directors. And even if your investments are in a workplace-sponsored 401(k) or a mutual fund, you can work with your fund manager to purge corporations from your portfolio that don't align with your values. Illustrated with inspiring stories of individuals who have gone up against corporate Goliaths and won, this book informs, inspires, and instructs investors how to unleash their power to change the world.

Drew's inspiring message of hope and resilience proves that with enough faith, determination, and heart, you can overcome any obstacle life throws your way, and not only bounce back but come back stronger than you ever imagined possible.
