"Hilda and the Troll tells the story of an artistic Scandinavian girl as she explores the unknown wilderness around her house, encountering a blue fox with antlers, the mysterious 'wood man, ' and (you guessed it!) a troll. The art is as whimsical as the protagonist, and the bright colors enhance this comic book's magical-realistic effect."

It was reissued with the elegant NoBrow hardback treatment as "Hilda and the Troll". It has now been, or is being, reissued under the same title in paperback format. There seem to be some visual and length differences between "Hildafolk" and this edition, (I'm not sure but it looks that way), so just be careful if you are very particular about which edition it is, exactly, you want.

The Hildafolk Troll's True Importance | Hilda Theory

Trolls are afraid of bells, a fact stated by Hilda in "Chapter 2: The Midnight Giant", and explained on an information page in "Hildafolk". The reason why is because they experience the ringing of a bell much louder than humans, to the point that it hurts them, thus causing the trolls a great amount of psychological distress.
