28.7 Chapter Summary In this chapter, you learned how Athens and Sparta joined forces to defeat the Persian Empire. The Persian wars began with the Ionian Revolt and ended 20 years later with the Greek victory at the Battle of Plataea. After the wars, Athens would become the center of Greek culture and expand its own empire.

Helping students succeed in three main parts: class involvement activities, reading this book, and writing about your learning in an interactive notebook.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Retells, in comic book format, Robert Louis Stevenson's tale of an innkeeper's son who finds a treasure map that leads him to a pirate's fortune.

Presented in Large Print Format for easy reading this is Little Dorrit Book 2 Volume I The air there was charged with the scent of gathered grapes. Baskets, troughs, and tubs of grapes stood in the dim village doorways, stopped the steep and narrow village streets, and had been carrying all day along the roads and lanes. Grapes, split and crushed under foot, lay about everywhere. The child carried in a sling by the laden peasant woman toiling home, was quieted with picked-up grapes; the idiot sunning his big goitre under the leaves of the wooden chalet by the way to the Waterfall, sat Munching grapes; the breath of the cows and goats was redolent of leaves and stalks of grapes; the company in every little cabaret were eating, drinking, talking grapes. A pity that no ripe touch of this generous abundance could be given to the thin, hard, stony wine, which after all was made from the grapes!

The vital resource that provides all assignments for The World's Story Volume 2 course, which includes: Materials lists for each chapter, oral and written narration prompts, critical thinking questions, copywork, sketching, map activities, timeline exercises, Dig Deeper research prompts, and other fun projectsReview sections, craft suggestions, special project ideas, art and architecture studies, and answer keys OVERVIEW: Students will learn all about medieval history and civilizations. The course includes 28 chapters and 4 built-in reviews, making it easy to finish in one school year. The activity pages include a variety of fun, engaging assignments. Both oral and written narration are key elements of the course, as well. Students are also encouraged to participate regularly in fun research assignments, further reading, crafts, and more. FEATURES: The calendar provides daily lessons with clear objectives and activities.

A searing novel of social realism, Upton Sinclair's The Jungle follows the fortunes of Jurgis Rudkus, an immigrant who finds in the stockyards of turn-of-the-century Chicago a ruthless system that degrades and impoverishes him, and an industry whose filthy practices contaminate the meat it processes. From the stench of the killing-beds to the horrors of the fertilizer-works, the appalling conditions in which Jurgis works are described in intense detail by an author bent on social reform. So powerful was the book's message that it caught the eye of President Theodore Roosevelt and led to changes to the food hygiene laws. In his Introduction to this new edition, Russ Castronovo highlights the aesthetic concerns that were central to Sinclair's aspirations, examining the relationship between history and historical fiction, and between the documentary impulse and literary narrative. As he examines the book's disputed status as novel (it is propaganda or literature?), he reveals why Sinclair's message-driven fiction has relevance to literary and historical matters today, now more than a hundred years after the novel first appeared in print.

title explores the relationship between ethics and aesthetics in Toni Morrison's fiction. Palladino's work foregrounds ambiguity as a key feature of narrative ethics.

The little-known story of a fierce rebellion against the Romans:"A very good read for anyone interested in ancient military history and historiography." -The NYMAS Review In the year AD 9, three Roman legions were crushed by the German warlord Arminius in the Battle of the Teutoburg Forest. This event is well known, but there was another uprising that Rome faced shortly before, which lasted from AD 6 to 9, and was just as intense. This rebellion occurred in the western Balkans—an area roughly corresponding to modern Croatia, Bosnia and Herzegovina, Slovenia, Montenegro, and parts of Serbia and Albania—and it tested the Roman Empire to its limits. For three years, fifteen legions fought in the narrow valleys and forest-covered crags of the Dinaric Mountains in a ruthless war of attrition against an equally ruthless and determined foe, and yet this conflict is largely unknown today. The Great Illyrian Revolt is believed to be the first book ever devoted to this forgotten war of the Roman Empire. Within its pages, we examine the history and culture of the mysterious Illyrian people, the story of how Rome became involved in this volatile region, and what the Roman army had to face during those harrowing three years in the Balkans.

A Study Guide and a Teacher's Manual Gospel Principles was written both as a personal study guide and as a teacher's manual. As you study it, seeking the Spirit of the Lord, you can grow in your understanding and testimony of God the Father, Jesus Christ and His Atonement, and the Restoration of the gospel. You can find answers to life's questions, gain an assurance of your purpose and self-worth, and face personal and family challenges with faith.
