The sweet "aww"-inspiring tale of school life continues!! Hori and Miyamura decide to ring in the New Year at the local shrine...but with it comes their last term in high school. As the pair and their friends return to their everyday lives and usual hijinks, both the special days and the humdrum ones prove irreplaceable. But these precious days can't last

forever...

Something's got the usually quiet Sakura all fidgety! And for once, it's not Tohru! Will sparks fly when Sakura, unexpectedly worked up by a shounen manga, of all things, runs into the equally quiet Yanagi, himself a shounen manga fanboy?!

The sweet "aww"-inspiring tale of school life continues!! Winter's here, and with it comes scarves and coats, snow, Christmas...and year-end blues? Love (and heartbreak) is still in the air, but Hori's thoughts turn to the future and what it holds for her and Miyamura. Will Hori's anxiety prove contagious, or will Page 17/21

Miyamura be able to put her at ease?

Connect, come together, and the world will change for the better one day at a time. Seeing Miyamura and Hori together every day feels natural. They play around, long for each other, and even get into fights on occasion. What will happen as their bitter, sweet, and acidic school life continues?

Not everyone is as quick on the draw as Hori and Miyamura when it comes to love. Ever the trustworthy friend, Ishikawa has seen the couple through thick and thin, but his own heart seems to be taking a more meandering road to romance. Having realized that he

and Yoshikawa might be more than "just friends," Ishikawa is now stuck attempting to navigate the murky waters between friendship and love. But one thing he does know is that the time he spends with Yoshikawa, however mystifying, is special in its own right...

The unbelievably attractive Akane Yanagi takes the stage...and maybe the lead from Miyamura?! The high school lives of the usual Kiri High suspects grow even livelier, as Hori abruptly starts demanding violence from Miyamura, the student council trio gets unusually flustered, and the sports festival arrives!

The sweet "aww" -inspiring tale of school life

continues!! So...what exactly are Yuki and Tooru? A cute moment between Tooru 's not-quite-girlfriend and the helpless physics teacher Nakamine lead to new realizations for both Tooru...and their teacher Yasuda?! Meanwhile, Sengoku 's worried about getting closer to Akane—because he 's just not stupid silly enough for him...! And with Valentine 's Day fast approaching, the members of the HoriMiSawa triangle are all stressed out about making the perfect chocolates!!

When Miyamura murmurs an "I like you" to Hori, who's laid up in bed with a fever, is he talking to himself? Or is he actually confessing to having feelings for her?! Hori is conflicted, but their secret-filled relationship is Page 20/21

unmistakably changing little by little...

The sweet "aww"-inspiring tale of school life continues!! When he's out and about, Iura's the lovable guy who gets on everyone's nerves. But at home, he's actually a strict yet kind older brother! Just like Hori and Miyamura, there's more to their friends than meets the eye...
