Early History Edit. Born and raised in Mobile, Alabama, Ariel Piper obtained her own racing-class hover car, which she christened the Pied Piper. During her teens, Ariel became one of only a few girls to race in the U.S. tournaments, indeed one of the few female racers in the whole world. At aged 17, after winning the East-American Regional Championships, Ariel expected to be invited into the International Race School, just as all qualifiers in regional tournaments were.

Part race-car driver, part fighter pilot, all superstar: Jason Chaser is a champion hover car racer. But now he's pitted against the best young racers on the planet - with the ultimate prize at stake

Wanting to be just as good a hover race car driver as his older brother, Bug, Jason joins the International Race School where his skills are put to the test by challenging instructors and fierce competitors, including the mysterious driver in black.

In the world of the near future, man travels everywhere in vehicles that hover four feet above the ground, inevitably resulting in the super-fast sport of hover car racing. This is the story of Jason Chaser, as he battles for the respect and recognition in the international circuits.

Despite not doing as well as others at the International Race School, Jason Chaser receives an invitation to a big tournament, but when his competition turns out to be his only friend at the school, Ariel, he is not so excited about the race.

After his horrific crash in the Italian Run, Jason must rebuild his confidence and his standings if he wants to qualify to compete in the New York Masters, the most prestigious race on the pro circuit.

A blockbuster thriller from bestselling author Matthew Reilly. Four centuries ago, a precious idol was hidden in the jungles of Peru. To the Incan people, it is still the ultimate symbol of their spirit. To William race, an American linguist enlisted by the U.S. Army to decipher the clues to its location, it's the

ultimate symbol of the apocalypse... Carved from a rare stone not found on Earth, the idol possesses elements more destructive than any nuclear bomb--a virtual planet killer. In the wrong hands it could mean the end of mankind. And whoever possesses the idol, possesses the unfathomable--and cataclysmic--power of the gods... Now, in the foothills of the Andes, Race's team has arrived--but they're not alone. And soon they'll discover that to penetrate the temple of the idol is to break the first rule of survival. Because some treasures are meant to stay buried..and forces are ready to kill to keep it that way...

Wanting to be just as good a hover race car driver as his older brother, Bug, Jason joins the International Race School where his skills are put to the test by challenging instructors and fierce competitors, including the mysterious driver in black, in this illustrated, high-speed drama.

"A complete success...action fans and PBS types can share their enthusiasm" (Booklist, starred review) when a young Queen Elizabeth I is thrust into a gripping game of deception and lust at the height of the Ottoman Empire in this edge-of-your-seat historical thriller from the New York Times bestselling author of The Great Zoo of China and Temple. The year is 1546, and Suleiman the Magnificent, the feared Sultan of the Ottoman Empire, issues an invitation to every king in Europe: You are invited to send your finest player to compete in a chess tournament to determine the champion of the known world. Thousands converge on Constantinople, including the English court's champion and his guide, the esteemed scholar Roger Ascham. Seeing a chance to enlighten the mind of a student, Ascham brings along Elizabeth Tudor, a brilliant young woman not yet consumed by royal duties in Henry VIII's court. Yet on the opening night of the tournament, a powerful guest of the Sultan is murdered. Soon, barbaric deaths, diplomatic corruption, and unimaginable depravity--sexual and otherwise--unfold before Elizabeth's and Ascham's eyes. The pair soon realizes that the real chess game is being played within the court itself...and its most treacherous element is that a stranger in a strange land is only as safe as her host is gracious.
